RESPONDENTS' MOTION TO VACATE HEARING

The Respondents, through counsel, submitted a Written Pleadings to comply with the Court's procedures and to ensure that their preliminary pleadings are properly recorded.

In light of this submission, Respondent respectfully requests that the Court **accept the Written Pleadings as a substitute for a personal appearance at the upcoming Master Calendar Hearing, currently scheduled for March 12, 2026 at 9:30 am.**

The Written Pleading serves a critical function in promoting judicial efficiency by eliminating the need for an in-person appearance when preliminary matters, such as pleadings and designation of relief, have already been addressed in writing. It also reflects the Respondent's good faith and diligence in moving their case forward.

Accepting the Written Pleadings and vacating the hearing will conserve judicial resources and minimize unnecessary appearances by counsel and Respondent, while ensuring that the case proceeds in an orderly manner

Wherefore, for the foregoing reasons, the Respondent respectfully requests that the Honorable Court Accept the Written Pleadings submitted as a substitute for a personal appearance at the upcoming Master Calendar Hearing and vacate the hearing currently scheduled for **March 12, 2026 at 9:30 am.**

This matter is ready for trial and Respondents respectfully requests that it be set for an individual hearing.

Respectfully,
