A Brief Note about Mr. Nascimento and his Qualification as an Alien of Extraordinary Ability

Rafael "Mulisha" do Nascimento is an elite professional mixed martial artist whose career reflects sustained national and international recognition in the highly competitive field of Athletics. **His standing as an athlete of international caliber is already a matter of record, as evidenced by his approved P-1A visa, a classification reserved for athletes who are recognized internationally for their high level of achievement in their sport.**

Mr. Nascimento began training in martial arts at the age of ten, first in karate and later expanding to Brazilian jiu-jitsu, kickboxing. **For the last 14 years, he has competed continuously at the professional level in recognized promotions in Brazil and the United States, building a record of eleven wins in fourteen professional bouts**, with an extraordinary finishing rate driven by technical grappling dominance and submission expertise. His career progression demonstrates a clear trajectory from national competition in Brazil to elite international competition in the United States.

Mr. Nascimento established himself in Brazil by competing in the country's top promotions, including "the Jungle Fight", "Watch-out Combat Show" (WOCS), a professional MMA promotion in that country, "New Corpore Extreme" (NCE), a Brazilian professional MMA organization, and "Lucas Fight Combat", also a professional MMA promotion, and by training alongside internationally recognized MMA legends such as Antônio Rodrigo "Minotauro" Nogueira, Antônio Rogério "Minotouro" Nogueira, Erick Silva, Ronaldo "Jacaré" Souza, and Valy "Desmaio".

Beginning with his **national** recognitions, Mr. Nascimento earned the "Fight of the Night" at Jungle Fight, one of Latin America's most prominent MMA organizations, and secured a victory at the 99th edition in Rio de Janeiro, confirming his ability to perform at the highest national level.

He also achieved second place at the Brazilian Kickboxing Championship and earned his black belt in kickboxing in 2016, followed by his black belt in Brazilian jiu-jitsu in 2025, validating his mastery across multiple combat disciplines.

In 2022, Mr. Nascimento reached a **major international** milestone when Legacy Fighting Alliance (LFA), one of the world's premier MMA organizations and a recognized pathway to the UFC, signed him as an athlete. Since joining the LFA, he has competed in six professional bouts, secured four victories, and earned placements on main cards and main events against elite international opposition. **In 2023, LFA nominated him for Fighter of the Year**, **Submission of the Year, Fight of the Year, Knockout of the Year, and Best Photo of the Year, reflecting broad recognition from promoters, media, and the MMA community for both technical excellence and entertainment value**. These distinctions place him among the most visible and respected competitors within his division worldwide.

"Mulisha" Nascimento has earned a formidable reputation across the global MMA and grappling community for his mastery of the **calf slicer**, a highly technical and devastating submission that few fighters execute effectively in live competition. The calf slicer is a *compression lock* that traps an opponent's lower leg and drives the shinbone into the calf muscle, compressing it against the femur and often overwhelming the opponent with pain and pressure that can force a quick tap, a move technically demanding and one of the rarer submissions seen in high-level MMA and Brazilian Jiu-Jitsu competition due to the precision and control it requires. While calf slicers are infrequently showcased in major MMA events, athletes who develop and apply them with ingenuity are respected for expanding the art of submission grappling**. Social media and fight fans alike have highlighted Nascimento's relentless submission game and creative groundwork, particularly his calf slicer setups, as signature elements of his competitive identity, contributing to his recognition among practitioners and enthusiasts worldwide.**

In 2025, Mr. Nascimento executed the rare calf slicer submission, **becoming only the second athlete in the world to finish a professional MMA bout with this technique after UFC champion Charles "Do Bronx" Oliveira**. **This achievement earned him a new LFA victory for Submission of the Year** and highlights a level of technical innovation, precision, and creativity that very few athletes worldwide have demonstrated in live professional competition. His nine submission victories in eleven wins further confirm his dominance as a submission specialist and his ability to control and finish high-level opponents.

Currently working in Los Angeles, California, Mr. Nascimento trains and works with the California Mixed Martial Arts, a professional MMA training organization based in that state, and the Machida Academy under renowned coaches such as Josh Barnett, Chad George, and Chinzo Machida, alongside established Ultimate Fighting Championship (UFC) athletes and top-tier professionals. He ranks among the top featherweights and pound-for-pound fighters in California, the U.S. West, and North America, reflecting his standing within the sport's competitive hierarchy. His career demonstrates sustained excellence, peer recognition, technical innovation, and high-level performance in one of the world's most demanding professional sports. **These factors collectively establish him as an athlete who has risen to the very top of his field.**

Mr. Nascimento will continue working and contributing to the area of Extraordinary Ability

Mr. Nascimento currently contributes at a high level to the United States athletics ecosystem through elite professional competition, daily training within top-tier institutions, and direct engagement with American athletes and coaches. He trains and works with CMMA and the Machida Academy, two respected professional training organizations that develop high-performance fighters. His daily training includes established Ultimate Fighting UFC athletes and renowned coaches, placing him within one of the most competitive and influential MMA networks in the country. Through this environment, he actively exchanges advanced techniques, strategic approaches, and training methodologies with other elite professionals, directly strengthening the technical standard of American mixed martial arts.

Furthermore, Mr. Nascimento contributes to the United States through sustained participation in LFA, one of the nation's premier MMA organizations and a recognized pathway to the UFC. Since joining the LFA in 2022, he has competed in six professional bouts, secured four victories, and appeared on main cards and main events against elite international opponents. His performances generate audience engagement, media attention, and commercial value for U.S.-based promotions, while raising the technical and competitive level of the events in which he participates. In 2025, Mr. Nascimento secured the LFA title "submission of the year". In 2023, LFA nominated him for Fighter of the Year, Submission of the Year, Fight of the Year, Knockout of the Year, and Best Photo of the Year, reflecting recognition from promoters, media, and the MMA community within the United States. These contributions directly support the growth, visibility, and economic vitality of professional MMA in the United States.

Besides, Mr. Nascimento contributes through technical innovation and knowledge transfer that benefit American athletes and training institutions. In 2025, he executed a rare calf slicer submission in professional competition, **becoming only the second athlete in the world to finish a professional MMA bout with this technique after UFC champion Charles "Do Bronx" Oliveira.** This achievement earned him a new LFA award for Submission of the Year and demonstrates an advanced level of technical creativity, precision, and tactical intelligence. He now trains and mentors alongside U.S.-based athletes, sharing advanced grappling systems, submission chains, and fight integration strategies shaped by his black belts in Brazilian jiu-jitsu and kickboxing. His presence elevates training quality, exposes American athletes to elite international techniques, and strengthens the overall technical depth of U.S. MMA.

Mr. Nascimento stated goals include teaching at established academies, developing new talent, and opening his own training facility in the United States, which would further expand athlete pipelines and create professional opportunities within the sports community, thereby strengthening the U.S. athletics infrastructure and advancing the national interest in maintaining global leadership in professional mixed martial arts.

Beneficiary's entry to Substantially Benefit the United States in the future

An athlete of Mr. Nascimento's distinction, if permitted to continue working in the United States, would make substantial and long-term contributions to the narrow field of professional mixed martial arts. As an active competitor in premier U.S.-based organizations such the LFAM, Mr. Nascimento strengthens the national combat sports landscape by competing at a high professional level. His presence introduces advanced technical skill, international competitive experience, and innovative approaches to striking and grappling that elevate the quality of competition.

Beyond his competitive achievements and leveraging his extraordinary background and international acclaim in the field, Mr. Nascimento will substantially contribute to athlete development and knowledge transfer within the United States. As a black belt in both Brazilian jiu-jitsu and kickboxing, with experience training alongside internationally recognized fighters and coaches, he brings rare technical depth that benefits emerging American athletes. His execution of a historically rare submission at the professional level demonstrates creativity, mastery, and adaptability, qualities that are invaluable in coaching and mentorship. Through training at established academies, instructional programs, and one-on-one mentorship, Mr. Nascimento will brilliantly help develop the next generation of U.S. fighters by refining their technical skills, strategic awareness, and professional discipline, thereby strengthening America's competitiveness in international MMA.

Mr. Nascimento's continued presence in the United States also supports the growth and sustainability of the domestic sports industry. MMA plays a significant role in the U.S. economy through gyms, academies, events, sponsorships, and sports media. Mr. Nascimento is an internationally recognized professional athlete and contributes to event marketability, audience growth, and commercial partnerships. His plans to teach, mentor, and eventually establish a training facility would further create employment opportunities, support youth development, and expand access to high-quality training environments.

Lastly, Mr. Nascimento serves as a role model whose career reflects discipline, perseverance, and international achievement through sport. His commitment to community engagement, mentorship, and long-term athlete development promotes positive pathways for young athletes from diverse backgrounds. His long-term presence in the U.S. elite sport's environment would therefore yield enduring benefits to American athletics, reinforcing the nation's leadership in mixed martial arts while leaving a lasting impact on athlete development and industry growth.

Objective evidence on how Mr. Nascimento proposes to continue working and is set to substantially contribute to the field of Athletics in the United States, we are submitting the following documents on **Exhibit A**.

A.1. Beneficiary's Personal Statement
A.2. Portfolio – Rafael "Mulisha" do Nascimento
A.3. Sponsorship statement letter dated May 28, 2025

Mr. Nascimento has earned sustained national and international acclaim related to his work, and his achievements have been recognized in his field of expertise, demonstrating that he is **one of that small percentage who have risen to the very top of the field of endeavor** (8 CFR 204.5(h)(22) as it will be evidenced throughout this petition along with supporting documentation.

Accordingly, as per the first step examination whether Petitioner meets the Extraordinary Ability Classification, Officer should determine that, **by preponderance of the evidence**, if the petitioner **objectively** meets at least three of ten regulatory Criteria listed under 8 CFR § 204.5(h). Consistent with the two-step analysis articulated in *Kazarian v. U.S. Citizenship & Immigration Services*, once a petitioner demonstrates eligibility under at least three of the ten regulatory criteria, USCIS must proceed to the final merits determination to assess whether the totality of the evidence

establishes extraordinary ability. *Kazarian v. U.S. Citizenship & Immigr. Servs.*, 596 F.3d 1115, 1121–22 (9th Cir. 2010).

It will be demonstrated herein that Mr. Nascimento satisfies **at least five** of the ten regulatory criteria, and that the totality of the evidence establishes that he has achieved sustained national and international acclaim and has risen to the very top of the field of athletics, warranting approval under the final merits' determination, under the *Kazarian* standards.

Evidence of Extraordinary Ability

Criterion 1. Beneficiary's receipt of lesser nationally or internationally recognized prizes or awards for excellence

In order to qualify the beneficiary for this eligibility criterion under 8 CFR 204.5(h)(3)(i), USCIS evaluates whether: 1) the person was the recipient of prizes or awards; 2) the award is a lesser nationally or internationally recognized prize or award which the person received for excellence in the field of endeavor. **As indicated in the regulation, this criterion does not require an award or prize to have the same level of recognition and prestige associated with the Nobel Prize or another award that would qualify as a one-time achievement.**

Mr. Nascimento has won several nationally and internationally recognized awards in martial arts throughout the last two decades, showcasing his rare talent and ability to sustain his acclaim over the years. In many of them, the beneficiary achieved first place, including the most prestigious championships in the United States. In others, he has positioned himself within the top 10 ranking.

- **2025 – LFA Submission of the Year (Winner)**

In 2025, Mr. Nascimento won the LFA's "Submission of the Year" award for executing a rare **calf slicer submission** in professional MMA competition. This achievement places Mr. Nascimento among an exceptionally small group of elite athletes, as he became **only the second fighter in the world** to finish a professional MMA bout with this technique, following UFC champion **Charles "Do Bronx" Oliveira**.

The LFA Fans' Choice Awards (including *Submission of the Year*) are presented based on **fan voting and official recognition**. The submission award specifically recognizes the **most outstanding submission finish** among **all LFA fights** in a given calendar year. The winner is chosen from a slate of nominees **that represent the most technically impressive and impactful finishes from events throughout the season**. This shows that the award is not arbitrary, it is performance-based and **tied to competitive excellence** in professional MMA, acknowledging a particular technical achievement that stands out among all finishes in that category for the year.

LFA is widely recognized within the MMA industry as one of the **premier developmental organizations in the United States**, helping launch many fighters' careers into the UFC and other top global promotions. The promotion was formed through the merger of Regional Fighting Alliance (RFA) and Legacy FC, and has hosted events across the U.S. and internationally, with content available to a global audience. LFA's awards get publicized on official channels (website,

Facebook, Instagram) and are part of the documented *Fans' Choice Awards* program that spans multiple categories, **reflecting organizational effort to highlight excellence across the sport**.

Each year, LFA typically nominates **multiple athletes** across several categories (including Submission of the Year, Fighter of the Year, Knockout of the Year, Fight of the Year, etc.). Only **one submission award is granted per year**, making it a **singular distinction** among all fighters competing in the organization that season. Hence, this award is not given loosely or to multiple recipients, it is a **select honor among many professional athletes** in the same promotion, distinguishing the athlete whose performance was voted the best in that category.

Lastly, the award is limited to **competitors who had professional fights within LFA during the year**. While this excludes fighters outside the organization, LFA is a recognized stepping-stone to top-tier competition (e.g., the UFC and other global promotions). Many fighters who have held LFA titles or excelled in LFA have gone on to compete at the highest levels of MMA, reinforcing the organization's standing in the sport. For USCIS, limitations on competitors do not preclude national or international recognition if the award is meaningful within the professional field, as LFA awards are within the MMA community. (U.S. Citizenship & Immigration Servs., Policy Manual, Vol. 6: Immigrants, Part F, Ch. 2, Criterion 1, Receipt of lesser nationally or internationally recognized prizes or awards for excellence (updated Oct. 2, 2024)).

- **1st place – several LFA's competitions, a major U.S. MMA organization**

Official bout records from LFA confirm that Mr. Nascimento has achieved **multiple first-place victories** in professionally sanctioned MMA contests within one of the United States' most competitive and internationally recognized mixed martial arts promotions. These records document Mr. Nascimento's success against professional opponents under uniform rules, regulated conditions, and elite competitive standards.

Specifically, LFA bout documentation confirms that Mr. Nascimento secured a **first-round submission victory** against **Arnold Jimenez** at **LFA 215** in Ventura, California, winning the bout by **ninja choke at 1:08 of Round 1**. This result establishes a decisive victory achieved through advanced grappling technique against a professional opponent competing at the same organizational level. The official result lists Mr. Nascimento as the **clear winner** of the contest.

Additionally, official records further confirm that Mr. Nascimento defeated **Brandon Altomare** at **LFA 199** by **submission via calf slicer**, securing the victory at **2:06 of Round 1**. This bout resulted in a definitive first-place outcome and demonstrates Mr. Nascimento's ability to prevail through technically sophisticated submissions rarely executed in professional MMA competition. The official fight result identifies Mr. Nascimento as the **winning athlete**, with no ambiguity as to the outcome.

Moreover, LFA records confirm that Mr. Nascimento achieved a **unanimous decision victory** over **Jordan Winski** at **LFA 161** in Commerce, California. The bout went the full three rounds, with all judges scoring the contest in Mr. Nascimento's favor.

LFA records also confirm that Mr. Nascimento defeated **Justin Wetzel** at **LFA 147** in Sloan, Iowa, winning by **technical knockout (KO/TKO) via right cross at 0:26 of Round 2**. In another LFA contest, Mr. Nascimento secured a **first-round submission victory** over **Marcus McGhee** at **LFA 135** in Phoenix, Arizona, winning by **rear-naked choke at 3:12 of Round 1**.

Thus, these official LFA fight records establish that Mr. Nascimento is a **multiple-time winner in Legacy Fighting Alliance competition**, prevailing against professional opponents through both submission finishes and unanimous decision. These victories reflect consistent competitive success within a major U.S. MMA organization that operates at a national and international level, **demonstrating that these prizes are granted by excellence in the field of athletics**.

- **2019 – Jungle Fight 99, Rio de Janeiro, Brazil (winner)**

In November 2019, Mr. Nascimento secured a victory at Jungle Fight 99, an official event of the Jungle Fight promotion held in Rio de Janeiro, Brazil. The **official fight records** maintained by Jungle Fight's event results, as well as independent professional MMA databases such as Tapology and Sherdog, confirm that Mr. Nascimento won his bout after three rounds. These platforms are widely recognized as authoritative sources for professional mixed martial arts records and are routinely relied upon by athletic commissions, promoters, and professional teams to verify competitive outcomes. This documented victory establishes that Mr. Nascimento prevailed in an officially sanctioned professional competition against a qualified opponent on a nationally recognized fight card.

Jungle Fight is **the Latin America's most established and influential professional mixed martial arts promotions**, founded in 2003 and widely regarded as a primary developmental league for elite Brazilian fighters. The organization is nationally and internationally recognized for producing athletes who later compete in major global promotions, including the UFC and other top-tier leagues. Events such as Jungle Fight 99 are professionally sanctioned, publicly promoted, and officially recorded, and victories at these events are treated within the sport as formal professional distinctions. Within the context of professional combat sports, a victory at Jungle Fight constitutes a **nationally recognized award for excellence**, as it reflects success in a regulated, competitive, and highly selective professional arena.

Moreover, Jungle Fight events feature a **limited number of professional athletes selected based on prior records, rankings, and performance history, making participation itself highly selective**. Each bout is adjudicated by **licensed professional judges** applying **standardized MMA scoring criteria** recognized by athletic commissions. At Jungle Fight 99, Mr. Nascimento competed among a card of professional fighters drawn from across Brazil and Latin America, with only **one winner per bout** emerging from each match. Given Jungle Fight's role as a national reference point for MMA development in Brazil and its visibility within the international combat sports community, this victory constitutes credible evidence of **professional excellence and competitive distinction** in the field of mixed martial arts. (U.S. Citizenship & Immigr. Servs., USCIS Policy Manual, vol. 6, pt. F, ch. 2, § C(2)).

- **Fight of the Night Honors (NCE 23)**

On March 3, 2018, Mr. Nascimento competed in the professional mixed martial arts event NCE 23 – New Corpore Extreme 23, held in Rio de Janeiro, Brazil. According to professional fight records maintained by Tapology**,** which are widely accepted and relied upon within the MMA industry for official competitor results, Mr. Nascimento defeated Lucas Nascimento by submission (rear-naked choke) in the first round at 4:44. This result reflects a documented competitive victory in a sanctioned professional fight under unified MMA rules.

NCE is a Brazilian mixed martial arts promotion that organizes professional fight cards featuring licensed competitors from across Brazil and Latin America and the events are nationally recognized within Brazil's combat sports community, publicly promoted, and officially recorded. A victory in an NCE event constitutes a **nationally recognized professional distinction** within Brazilian MMA because it reflects success in regulated, competitive matches against qualified opponents. For emerging fighters in Brazil, success in NCE events serves as a significant marker of professional ability and standing within the sport's competitive hierarchy.

In addition, NCE feature a **select field of trained and licensed fighters**, with **only one winner per bout** determined through sanctioned competition. Each fight is adjudicated by experienced officials and judges applying standardized scoring and safety regulations recognized throughout the sport, ensuring that victory is awarded by **expert evaluation and competitive performance** rather than participation or exhibition. Mr. Nascimento's first-round submission win demonstrates a decisive competitive accomplishment against a similarly credentialed professional opponent, serving as a recognized indicator of competitive excellence in the field of mixed martial arts.

In sum, the record establishes that Mr. Nascimento has received multiple **lesser nationally and internationally recognized awards for excellence in the field of athletics**, as contemplated by 8 C.F.R. § 204.5(h)(3)(i) and the USCIS Policy Manual. His honors include the **2025 LFA Submission of the Year Award**, multiple **first-place finishes in Legacy Fighting Alliance competitions**, a documented **professional victory at Jungle Fight 99 in Rio de Janeiro**, and repeated **Fight of the Night distinctions** at NCE 23, and Jungle Fight events. Each of these distinctions was awarded through regulated professional competitions, judged by licensed experts, and recorded in authoritative professional databases.

The body of credible, independently verifiable evidence documents to fulfill the criterion is compiled under **Exhibit B**:

b. *Unified Rules of Mixed Martial Arts*, adopted by state athletic commissions, establishing that professional MMA competitions, including those promoted by Legacy Fighting Alliance (LFA), are judged by three licensed judges under the 10-Point Must System, with winners determined by submission, knockout, technical knockout, or judges' decision. See *Unified Rules of Mixed Martial Arts*, Ass'n of Boxing Commissions, https://www.ufc.com/unified-rules-mixed-martial-arts

d. the Unified Rules of MMA provides a credible, authoritative explanation of how winners are determined at professional MMA events, which is relevant to showing that Mr. Nascimento's competitive success resulted from *structured competition judged by experts.* (***see*** **Exhibit B.2. b**)

Therefore, Mr. Nascimento meets this criterion as the credible evidence demonstrates that he was the recipient of a lesser nationally or internationally recognized prizes or awards for excellence in the field of athletics (mixed martial arts) pursuant to 8 CFR 204.5(h)(3)(i).

Criterion 2. Beneficiary's membership in associations in the field for which classification is sought that require outstanding achievements of their members, as judged by recognized national or international experts in their disciplines or field.

In observance of this eligibility criterion under 8 CFR 204.5(h)(3)(ii), USCIS determines whether the association for which the person claims membership requires that members have outstanding achievements in the field as judged by recognized experts in that field. Examples of associations in the field requiring outstanding achievement of their members may include, but are not limited to:

- A membership in certain professional associations; and
- A fellowship with certain organizations or institutions.

Legacy Fighting Alliance - LFA

Mr. Nascimento is a current and active member of the LFA, having been officially integrated into the organization's professional roster on August 5, 2022. Since his debut in Dallas, Texas, he has maintained a consistent and high-level presence within the association, competing in six professional bouts to date. His status as a member is evidenced by his inclusion in the LFA's official athlete framework, which involves regulated matchmaking, broadcast exposure, and participation in the organization's promotional and competitive activities. As a featherweight athlete, he remains a recognized figure within the LFA's professional ranks, adhering to the rigorous standards and bout agreements required of all athletes under the association's banner.

LFA is a professional mixed martial arts organization that conducts regulated competitions under state athletic commission oversight and professional bout agreements. Participation in LFA events is not open to the general public and is limited to licensed professional fighters **who are selected by the promotion and approved by the relevant athletic commissions**. As confirmed by LFA's official policies, all fighters must enter into **professional bout agreements** and comply with commission-mandated medical, safety, and anti-doping requirements, reflecting a regulated and selective competitive environment. Accordingly, affiliation with and competition in LFA is based on **professional qualification and competitive merit**, rather than open or amateur participation, demonstrating that Mr. Nascimento's LFA awards and victories occurred within a **selective, professional platform reserved for high-level competitors**.

The association employs a selective process where membership is granted based on a **fighter's proven track record of excellence, technical mastery, and competitive success, as judged by**

recognized national and international experts in the combat sports industry. In Mr. Nascimento's case, his membership is supported by his exceptional performance in the cage, including multiple victories by technical knockout and rare submission maneuvers like the calf slicer. His standing is further validated by his numerous nominations for prestigious LFA annual awards, such as "Fighter of the Year" and "Submission of the Year", which serve as a formal acknowledgment of his elite status by the organization's leadership and industry experts.

The compensation framework in Section 3 of the LFA's Promotion and Ancillary Rights Contract directly ties Mr. Nascimento's purse increases and win bonuses to his competitive success. His compensation escalates only if he is **"declared the winner"** of successive bouts by the Athletic Commission. This structure demonstrates that the LFA's continued investment in, and recognition of Mr. Nascimento is contingent upon his maintaining a record of competitive victories and professional achievement.

Section 2.2(b) provides that the LFA may withdraw recognition of any championship title, status, or belt if Mr. Nascimento fails to meet performance standards or breaches contractual obligations. Additionally, Section 2.1 specifies that contract extensions are granted only if Mr. Nascimento maintains championship or title status at the time the initial term would expire. This demonstrates that elevated status within the organization is directly tied to sustained competitive achievement.

Finally, Section 4.2 requires that Mr. Nascimento **"maintain a high standard of sportsmanship and conduct"** themselves in a professional manner prior to, during, and following each Bout," with compliance determined by the LFA in its discretion. This ongoing conduct requirement reinforces that membership is contingent upon maintaining professional excellence both in and out of competition.

Martial arts associations and professional combat sports organizations like the LFA function as governing and promotional bodies that validate the expertise and professional standing of their members. Unlike general sports clubs, these associations act as gatekeepers for professional standards, ensuring that only individuals with verified skills and significant achievements are permitted to compete or hold membership. They provide a structured environment where athletes are ranked and evaluated by experts, including coaches, veteran fighters, and athletic commissions. By maintaining a roster of elite talent, these associations facilitate the development of the sport and provide a platform where membership itself serves as a credential of an athlete's high-level proficiency and contribution to the field on a national or international scale.

To evidence that Mr. Nascimento meets this criterion, we are submitting the following supporting documents to fulfill this request under **Exhibit C:**

> **C.1.** Letter from Edward Soares, dated January 30, 2026, confirming that the beneficiary is a member within LFA Since august, 2022 as well as the criteria for affiliation, demonstrating that the Mr. Nascimento is an active member and that the LFA requires outstanding achievements of its members.
>
> **C.2**. LFA Promotion and Ancillary Rights Contract, sections 2.1., 2.2.(b), 3, and 4.2., demonstrating that LFA's membership requires outstanding achievement of its members.

C.3. *About the LFA*, organization's website information, demonstrating that it is an organization which requires outstanding achievements of its members. (***see*** **Exhibit B.2. a**).

Therefore, Mr. Nascimento meets this criterion as the evidence clarifies that he is a member within the Legacy Fighting Alliance (LFA) and that the membership requires outstanding achievement of their members, as judged by recognized national and international experts in their disciplines or field pursuant to 8 CFR 204.5(h)(3)(ii).

Criterion 3. Published material about the person in professional or major trade publications or other major media relating to the person's work in the field for which classification is sought.

Under 8 CFR 204.5(h)(3)(iii) and USCIS Policy Manual, the beneficiary must establish that any published material appearing in **professional or major trade publications**, or other major media pertains directly to their specific work in the field for which classification is sought. The evidence provided must clearly demonstrate the relevance of such publications to the beneficiary's professional contributions, ensuring compliance with the eligibility criteria outlined in the regulation.

Mr. Nascimento is the starring individual in several major publications and professional media in sports and martial arts. The articles mention in detail the beneficiary's work and his achievements, showcasing his relevance to the field in his home country (Brazil), in the United States, and worldwide.

As such, Mr. Nascimento satisfies this criterion, as the evidence demonstrates that material about him and his work was published in several major and professional publications, in accordance with 8 CFR 204.5(h)(3)(iii) and USCIS policy requirements.

Criterion 7. Display of the Petitioner's work in the field in Public Exhibitions – athletic and artistic nature (claimed as comparable evidence)

In furtherance of the fulfillment of this eligibility criterion, USCIS first determines whether the work that was displayed is the person's work product. Second, USCIS determines whether the venues (virtual or otherwise) were a public showing as per *Merriam-Webster Dictionary's* (8 CFR 204.5(h)(3)(vii)). The guidelines go on with additional clarifications by stating that "While the dictionary definition includes public showings other than those that are artistic in nature, the plain language of the criterion includes the modifier "artistic" and explicitly requires that the exhibitions or showcases be artistic in nature. **USCIS only considers non-artistic exhibitions or showcases as part of a properly supported claim of comparable evidence**".

Mr. Nascimento has displayed his work in numerous public exhibitions, namely MMA events and kick-boxing competitions. We aim to demonstrate his eligibility and ask the adjudicator to consider

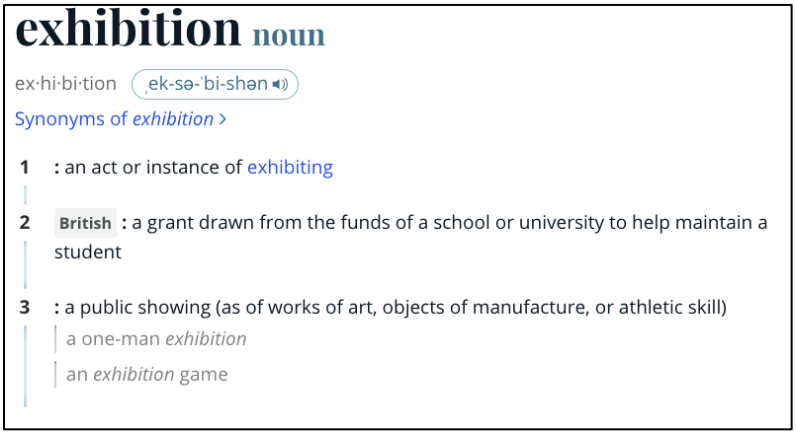

this specific criterion as comparable evidence, due to the fact that artistic exhibitions do not readily apply to Mr. Nascimento's occupation, pursuant to 8 CFR 204.5(h)(3).

The beneficiary has publicly demonstrated his martial arts prowess across a diverse range of prestigious competitions and events throughout his career. From his early professional debut in 2013 at Mato Grosso Regional competitions, he has progressively elevated his platform, competing at Brazil's most respected organizations including WOCS 53, NCE 23, Lucas FC 1, and the internationally renowned Jungle Fight 99 in Rio de Janeiro. His technical excellence earned him recognition at the Brazilian Kickboxing Championship in 2015, where he secured a silver medal, and later at the NAGA (North American Grappling Association) Los Angeles Grappling Championship in 2022, where he claimed first place.

Since 2022, Mr. Nascimento has established himself as a formidable competitor in the United States, competing in six professional bouts with LFA, one of the world's premier MMA promotions, across multiple high-profile events including LFA 135, LFA 147, LFA 155, LFA 161, LFA 188, LFA 199, and LFA 215. His consistent participation in main card and main event slots, combined with his nominations for five major LFA awards in 2023 and an additional Submission of the Year nomination in 2025, underscores his status as a top-tier athlete whose work has been displayed and recognized at the highest levels of international mixed martial arts competition.

The competitive martial arts events in which Mr. Nascimento has participated can be classified as **public showings of athletic skills**. In these professional competitions, Mr. Nascimento performed in front of live audiences and global livestreams, showcasing his technical expertise and athleticism under the scrutiny of official judges and spectators alike.

The Events in which Mr. Nascimento displayed his work can be considered public showing of athletics techniques. They are defined as exhibitions pursuant Merriam-Webster Dictionary as a public showing designed for general audience (sport's enthusiasts).

exhibition noun

ex·hi·bi·tion ˌek-sə-ˈbi-shən

Synonyms of *exhibition* ›

1 : an act or instance of exhibiting

2 British : a grant drawn from the funds of a school or university to help maintain a student

3 : a public showing (as of works of art, objects of manufacture, or athletic skill)

a one-man *exhibition*

an *exhibition* game

Notably, while Mixed Martial Arts is undeniably a feat of elite athleticism, **it is equally a sophisticated form of performance art that meets the criteria for a public showing of an artistic nature as outlined in the USCIS Policy Manual**. Beyond the physical exertion, MMA is a choreographed display of technical mastery where the "canvas" of the cage becomes a stage for the expression of diverse martial traditions, including the rhythmic precision of Kickboxing

and the fluid, intricate "human chess" of Brazilian Jiu-Jitsu. Mr. Nascimento's work is characterized by a high degree of creative technicality, exemplified by his execution of the rare and visually stunning "calf slicer" submission, which transcends mere sport to become a public exhibition of skill intended to entertain and inspire an audience.

Moreover, his participation in televised main events and his nominations for "Best Photo of the Year" and "Submission of the Year" further underscore that his performances are judged not only by their outcome but by their aesthetic execution, entertainment value, and the narrative artistry he brings to the global stage. Therefore, Mr. Nascimento's career represents a continuous series of public artistic displays that contribute to the cultural and competitive fabric of the performing arts within the United States.

In support with this criterion, we submit the following under **Exhibit E**:

> **E.1.** Portfolio of Mr. Rafael 'Mulisha' do Nascimento, demonstrating that Mr. Nascimento has competed in numerous prestigious mixed martial arts events. (***see*** **Exhibit A.2**)
>
> **E.2**. A representative sample of Mr. Nascimento's professional bouts is reflected in the Tapology bout pages for *Sweeney v. do Nascimento* (LFA 188) and *do Nascimento v. Hodge* (LFA 155), demonstrating that the beneficiary has displayed his work in public exhibition or showcases artistic in nature.
>
> **E.3.** Miscellaneous pictures of Mr. Nascimento performing in martial arts' competitions, demonstrating that he has displayed his work in public exhibition or showcases artistic in nature.

Thus, Mr. Nascimento meets this criterion as comparable evidence that his work's product was displayed in major public martial arts events that can be both classified as having athletics and artistic nature pursuant to 8 CFR 204.5(h)(3)(vii).

Supporting Criterion - The person's original scientific, scholarly, artistic, athletic, or business-related contributions of major significance in the field (8 CFR 204.5(h)(3)(v)).

Under the EB-1A regulations, an applicant may satisfy the fifth criterion by demonstrating "original scientific, scholarly, artistic, athletic, or business-related contributions of major significance in the field." *See* 8 C.F.R. § 204.5(h)(3)(v). The USCIS Policy Manual explains that this criterion requires evidence not only of originality, but also that the contribution has had **a significant impact on the field as a whole**, as reflected by influence on other professionals, competitive practice, or the development of the discipline. *See* USCIS Policy Manual, Vol. 6, Pt. F, Ch. 2, § C(1)(e). The Policy Manual further instructs that officers must evaluate whether the beneficiary's work has been **adopted, relied upon, or recognized by others in the field**, and not merely whether the beneficiary is personally skilled or successful. Accordingly, for athletes, this criterion is satisfied only when a specialized technique or contribution has demonstrable **field-level influence**, rather than representing individual athletic excellence alone.

Within the professional mixed martial arts community, **Mr. Nascimento has become widely known for his specialized and highly effective use of the calf slicer submission technique**,

following in the lineage of elite Brazilian submission specialists such as Charles "Do Bronx" Oliveira. Multiple media references and expert testimonials identify Mr. Nascimento as a fighter **specifically associated with this submission**, noting that opponents, commentators, and peers recognize the calf slicer as a defining feature of his competitive identity. This recognition reflects not merely that he has used the technique successfully, but that it has become professionally associated with him in the context of elite-level competition.

The calf slicer is a technically complex lower-limb submission that applies compressive force to the calf muscle and Achilles region, producing intense pain and mechanical leverage. Although the technique predates Mr. Nascimento and has long existed in grappling and jiu-jitsu traditions, it is **rarely employed successfully at the highest levels of professional mixed martial arts** due to its technical difficulty, positional risk, and limited margin for error. Effective execution requires exceptional timing, positional control, and biomechanical precision. As a result, only a small number of elite athletes worldwide are known for consistently applying this technique in high-stakes professional bouts.

In this case, multiple social media publications and independent expert letters attest that Mr. Nascimento did not merely use an existing technique, but developed a distinctive, refined, and highly effective application of the calf slicer that has influenced competitive outcomes and professional strategy. Independent experts explain that his adaptations of the technique are **uncommon in professional MMA**, that his success has led opponents and coaches to prepare specifically for this submission, and that his use of the technique has become a recognized element of tactical analysis in his division. These materials demonstrate that his contribution extends **beyond personal success**, reflecting **professional influence, peer recognition, and impact on competitive practice**, as required by the Policy Manual.

For this reason, this evidence is presented **as a supplemental showing**, rather than as an anchor pillar of eligibility. **The petitioner does not claim invention of the technique, but rather demonstrates distinctive development, refinement, and professional impact**, **supported by independent expert testimony and industry recognition**. When considered in conjunction with the other regulatory criteria and the Final Merits Determination, this evidence further supports the conclusion that Mr. Nascimento has made original contributions of recognized significance within the field of professional mixed martial arts.

Credible evidence to support this criterion are listed under **Exhibit F**:

> **F.1.** Expert letter from Rodrigo Freitas, 4th Degree Black Belt and World Champion, providing a highly technical assessment of Mr. Nascimento's calf slicer technique, demonstrating that the beneficiary has made original contribution of major significance to the field.
>
> **F.2.** Expert letter from Melsik Baghdasaryan, UFC featherweight fighter and professional kickboxer, stating the calf slicer as evidence of elite-level technical proficiency and professional recognition, demonstrating that the beneficiary has made significant contribution of major significance to the field.

F.3. Expert letter from Josh Barnett, former UFC Heavyweight Champion and PRIDE Grand Prix Champion, addressing Mr. Nascimento's calf slicer technique, demonstrating that t the beneficiary has made significant contribution of major significance to the field.

F.4. Public commentary following Mr. Nascimento's calf slicer finish further evidencing the technique's significance, demonstrating that he has made original contribution of major significance to his field.

Hence, the submitted evidence demonstrates that Mr. Nascimento has made original contributions of major significance to the field of athletics, as a supporting and accessory criterion, which places him among the top fighters in MMA worldwide pursuant to 8 CFR 204.5 (h)(3)(v).

Other relevant and credible evidence that shows that Mr. Nascimento has sustainable national and international acclaim, and it is placed at the very top of his field

In addition to the extensive documentation submitted herein, we have enclosed the following items in support of Mr. Nascimento's application **(*see* Exhibit G)**:

G.1. Other lesser nationally recognitions received by Mr. Nascimento, including the certificate of commendation, city council of Apiacas, Mato Grosso state, awarded on August 9, 2022, and the Certificate of commendation, House of Representatives in the state of Mato Grosso, awarded on July 5, 2023.

G.2. Mato Grosso kickboxing federation culture and martial arts – black belt 1st degree ID card.

G.8. Podium photograph from the North American Grappling Association (NAGA) tournament documenting Mr. Nascimento's 1st place finish in his division, evidencing his

championship title and national competitive achievement within a widely recognized U.S. grappling organization.

Final Merits Determination

In the final step of the EB-1A adjudication, USCIS must consider the petition in its entirety and determine whether the evidence establishes, **by a preponderance of the evidence**, that the beneficiary has achieved sustained national or international acclaim and is among the small percentage at the very top of his field (8 CFR 204.5(h)(2); 8 CFR 214.2(o)(3)(ii)). In this regard, it is significant to note that Mr. Nascimento's status as an athlete of international caliber has already been scrutinized and affirmed by USCIS through the approval of his P-1A visa. This prior classification as an "internationally recognized athlete" serves as a foundational acknowledgment by the Service of his elite standing, which has only been further solidified by his subsequent achievements.

In Mr. Nascimento's case, it is clearly demonstrated herein a professional career reflecting a sustained record of national and international acclaim developed over more than fourteen years of continuous elite competition in the field of professional mixed martial arts. Beginning his martial arts training at the age of ten, Mr. Nascimento steadily progressed through multiple combat disciplines, achieving national recognition in Brazil through competition in the country's most prominent professional MMA promotions, including Jungle Fight, WOCS, NCE, and Lucas Fight Combat. His accomplishments at the national level include a "Fight of the Night" distinction at Jungle Fight, a victory at Jungle Fight 99 in Rio de Janeiro, a silver medal at the Brazilian Kickboxing Championship, and advancement to black belt rank in both kickboxing and Brazilian Jiu Jitsu.

Mr. Nascimento's national acclaim expanded into sustained international recognition as his career advanced. In 2022, he reached a significant international milestone when he was signed by LFA, one of the world's premier MMA organizations and a well-recognized pathway to the UFC. Since joining LFA, Mr. Nascimento has competed consistently on main cards and main events, securing four victories in six professional bouts against elite international opponents. His exceptional finishing rate, particularly through submissions, has distinguished him within his division and led to multiple year-end nominations and victories, including Fighter of the Year, Submission of the Year in 2026, Fight of the Year, Knockout of the Year, and Best Photo of the Year. These recognitions reflect broad acknowledgment by promoters, industry professionals, and the MMA community of his technical excellence, competitiveness, and entertainment value on an international stage.

Most notably, Mr. Nascimento has achieved global recognition for his rare and technically demanding mastery of the calf slicer submission, a technique seldom executed successfully in high-level professional MMA competition. In 2025, he became only the second professional MMA athlete worldwide, after UFC champion Charles "Do Bronx" Oliveira, to finish a bout using this technique, earning an LFA Submission of the Year award and reinforcing his reputation as an innovator in submission grappling. His continued training alongside UFC-level athletes and world-renowned coaches in California further confirms his standing among the sport's elite.

Under the final merits' determination, as articulated in *Kazarian v. USCIS*, Mr. Nascimento's evidence must be considered in the totality of the record to assess whether he has risen to the very top of his field. When viewed holistically, his sustained elite performance over time, progression from national to international competition, repeated recognition by leading organizations, and rare technical innovation collectively establish that his acclaim is enduring, cumulative, and internationally recognized, fully satisfying the final merits analysis.

In sum, the evidence submitted in this petition demonstrates that Mr. Nascimento enjoys sustained national and international recognition, commands widespread acclaim in the global MMA arena, and maintains an elite standing among professional athletes in his field. In addition, he is a professional at the top of his career and set to continue contributing meaningfully to the U.S. athletics field if allowed to remain in the country. Accordingly, we respectfully submit that he satisfies the EB-1A standard as a person of extraordinary ability, and we request favorable adjudication of his petition.

Conclusion and Request for Favorable Adjudication

In conclusion, Mr. Nascimento's high level achievements, and consistent contributions to his field demonstrate that he meets the more than the minimum eligibility criteria required for the EB-1A visa classification. His work has left a significant and lasting impact in the MMA community and athletics field, as evidenced by the numerous accolades and widespread recognition his projects have received. Mr. Nascimento positions himself well beyond a highly accomplished professional, rather he stands out as one of the most acclaimed MMA athletes in the world and a true inspiration for the next generation of fighters.

Applying the preponderance of the evidence standard ("more likely than not"), the totality of the record contains extensive, credible, and objective documentation demonstrating that Mr. Nascimento satisfies **at least five** of the ten regulatory criteria and, more importantly, that these achievements, when evaluated together, place him among the small percentage of athletes who have risen to the very top of the field of professional mixed martial arts. The evidence establishes sustained national and international recognition over time, repeated selection by leading and distinguished organizations, peer and industry acknowledgment of his competitive and innovative contributions, and a consistent pattern of high-level performance against elite opposition.

Granting Mr. Nascimento eligibility for this immigrant classification will enable him to continue making valuable contributions in his field in the United States as an athlete sustained elite status. We are confident that Mr. Nascimento's extraordinary abilities will continue to benefit the U.S. athletics. We kindly request that you consider his application favorably and grant him the opportunity to further his outstanding career in the United States.

Exhibit A: About Rafael "Mulisha" do Nascimento

October 23, 2025

To USCIS,

Throughout my professional journey in mixed martial arts, I have focused on developing high-level striking and grappling skills and competing against strong opponents to advance my career and contribute to the sport. My name is Rafael do Nascimento, and I began training in martial arts at the age of ten, starting with karate. In 2010, I expanded my training to include Brazilian jiu-jitsu, kickboxing, and mixed martial arts, also known as MMA. In 2012, I was twenty-one years old and made my professional MMA debut. I have continued to build a competitive record through disciplined training and consistent participation in recognized events. In 2015, I won second place at the Brazilian Kickboxing Championship, an early milestone that reinforced my commitment to a professional career in combat sports.

In 2017, I relocated to Rio de Janeiro to dedicate myself fully to MMA. There, I trained with athletes who have shaped the international MMA landscape, including Erick Silva, the Nogueira brothers(Antônio Rodrigo "Minotauro" Nogueira and Antônio Rogério "Minotouro" Nogueira), Ronaldo Jacaré, and Valy “Desmaio”. This period was essential for my technical and strategic development, as I had access to high-level coaching and sparring partners who set rigorous standards. I competed in multiple professional MMA events in Rio de Janeiro, gaining experience across major cards in Brazil. My last fight in Brazil was at Jungle Fight, one of the most prominent organizations in Latin America, where I earned the recognition of Fight of the Night. I also progressed through the ranks in my core disciplines, earning a black belt in kickboxing in 2016 and later achieving a black belt in Brazilian jiu-jitsu (BJJ) in 2025.

In 2022, I reached a significant milestone when I was signed to compete for the Legacy Fighting Alliance (LFA), a premier organization in the United States known as a pathway to the Ultimate Fighting Championship (UFC). Since joining the LFA, I have competed in six professional bouts, securing four victories. The LFA platform exposed me to a broader audience, stronger competition, and consistent professional standards for athlete preparation and performance. In 2023, I was nominated for several LFA annual distinctions, including Fighter of the Year, Submission of the Year, Photo of the Year, Fight of the Year, and Knockout of the Year. These nominations highlighted both technical execution and entertainment value, reinforcing that my performances were gaining recognition among fans, promoters, and media within the MMA community.

In 2025, I was again recognized for my submission work, earning a new nomination for Submission of the Year in the LFA. I achieved this distinction by successfully executing a rare submission that had only been applied once before in professional MMA, by Charles Oliveira, also known as Charles "do Bronxs", in the UFC. The technique involves applying slicing pressure to the opponent’s calf with the legs, and it requires precise positioning, timing, and control to execute effectively against a resisting opponent. I became the second athlete in the world to finish a professional MMA bout

nail.com

with that technique. This result highlights my technical creativity, ability to adapt under pressure, and commitment to mastering both classical and modern grappling systems. In the same year, I was awarded my black belt in Brazilian jiu-jitsu, which validates years of study in positional control, submission chains, and competition-level application.

I am currently based in Los Angeles, California, where I train and work with CMMA, a California Mixed Martial Arts organization, and the Machida Academy. My daily training environment features established UFC athletes and respected coaches, including Josh Barnett, Chad George, and Shinzo Machida. This ecosystem supports continuous improvement in striking, wrestling, and grappling, and it provides the professional infrastructure necessary to compete at the highest levels of competition. Training in Los Angeles also connects me to a broad network of coaches, sports professionals, and aspiring athletes, which strengthens my ability to contribute on and off the mat.

My background reflects consistent progression from national-level competition in Brazil to professional recognition in the United States. I have maintained a steady trajectory characterized by technical advancements, competitive results, and peer recognition. The combination of my black belts, my LFA record with multiple wins, my nominations for yearly awards, and my execution of a historically rare submission demonstrates that I bring both skill and innovation to the sport. Furthermore, my experience training alongside world-class athletes has shaped my approach to preparation, resilience, and athlete development.

My work aligns with essential interests in the United States, including the growth of professional sports, youth development, and the transfer of knowledge that strengthens training methodologies and enhances athlete performance. MMA continues to expand across the country, supporting gyms, academies, events, and related industries. By competing, coaching, and mentoring, I can contribute to this ecosystem, help raise technical standards, and support safe and effective training practices. The visibility of high-level competition also inspires participation among young athletes, creating positive pathways through disciplined sport.

Looking ahead, I intend to continue competing in the United States while expanding my contributions as a coach and mentor. My goals include teaching at established academies, developing new talent, and eventually opening my own training facility. I plan to share the methods that shaped my development in striking and grappling, including detailed instruction in kickboxing fundamentals, advanced jiu-jitsu systems, and MMA integration that emphasizes defense, conditioning, and strategy. I also wish to support my daughter's athletic journey as she grows, and I will encourage young athletes from diverse backgrounds to pursue excellence through discipline and perseverance. By combining active competition with structured coaching, I aim to support athlete pipelines, create employment opportunities in the sports community, and help elevate the standard of MMA practice and education in the United States.

I am grateful for the consideration of my EB-1 petition. I will continue to represent the sport with honor, respect, and professionalism, and I am committed to advancing my career while contributing to the development of martial arts in the United States. Thank you for your time and attention.

Sincerely,

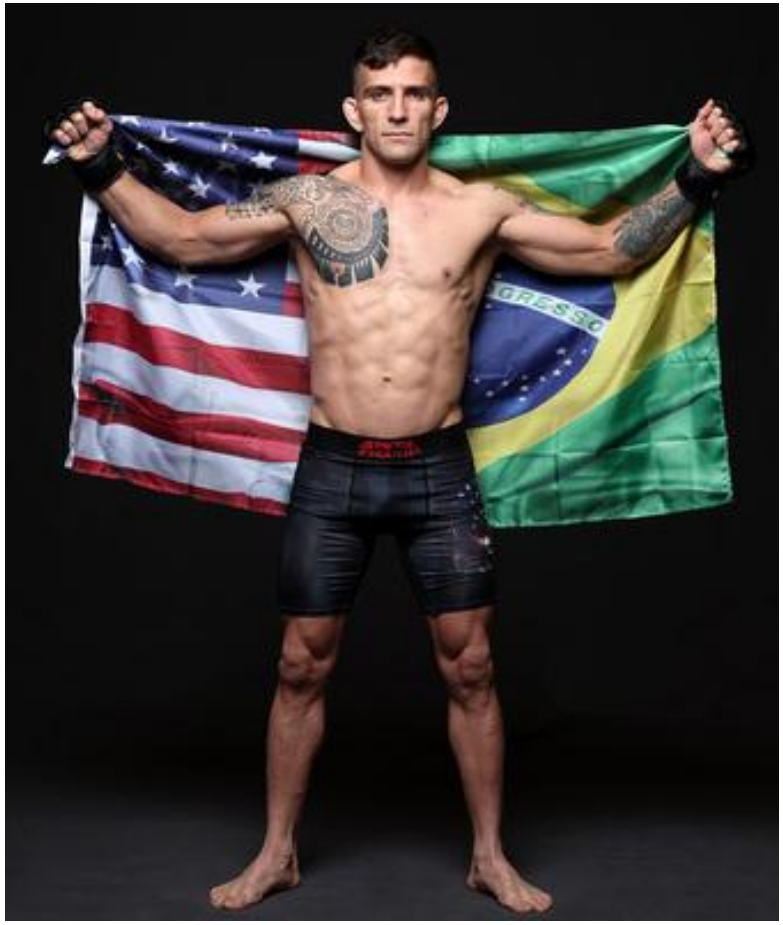

Rafael do Nascimento

JFC 99 RESULTS

Press release for the JFC 99 fights: by Vinícius Faria (America Marketing and Design)

Fight 01

Victor “Buldoguinho” (Beto Padilha Team) vs. Rafael “Mulisha” do Nascimento (Team Nogueira)

An intense 3-round fight. Both fighters were warriors and held on until the third round. By split decision, Rafael “Mulisha” was the winner.

Fight 02

Mario “Orelha” Carvalho (Relma Combate) vs. Fabrício “Galo” Santana (Hugo Duarte Team)

Another incredible fight, with both fighters drawing a lot of blood from each other. At the end of the second round, Mario "Orelha" felt the strain and couldn't hold on, collapsing in the octagon and causing Fabrício "Galo" to be declared the winner by technical knockout.

Fight 03

Adionai de Lima Maciel (DGT de Assis) x Joseph Vieira (RD Champion-RJ)

Another full 3-round fight. Adionai showed superiority from the start and by unanimous decision, the winner was Adionai de Lima Maciel.

Fight 04

This website uses cookies to improve your experience. By clicking “Accept”, you agree to the use of cookies, terms and policies of the site.Read more

To accept

Cristiano “Billy” França (TFT) vs. Denilson “Bug” Flores (RD CHAMPION – RJ)

In the very first round, Cristiano “Billy” showed that he would only leave there victorious. And it was very quick, at 2 minutes by technical knockout the Carioca won the fight.

Fight 06

Victor Dias (TFT) vs. Matheus “Calabresa” (CHUTE BOXE BAURU)

A "bloody" fight that ended in a pause in the second round due to Matheus Calabresa bleeding heavily from the head, and even included a somersault on top of his opponent. Matheus Calabresa won by split decision.

Fight 07

Vanilto Antunes (RMT) vs. Jackson Velasco (CT Brunocila)

With one fighter aged 40 (Jackson Velasco) and another aged 25 (Vanilto Antunes), the warriors showed that the age difference was nothing. They put on an incredible fight. After much blood and sweat was exchanged, Vanilto's victory by technical knockout in the third round was confirmed.

Fight 08

Rafael “Karatê” Almeida (CT PATRIOTA / TEAM AGUIA) vs. Lucas “Almeidinha” Almeida (First Fight Center)

After a fight dominated by fighter Lucas “Almeidinha”, a turnaround at the end of the round allowed Rafael “Karatê” to win by guillotine choke.

Fight 09

Jairo “Nego Jairo” Pacheco (TFT) vs. Wudison “Fumaça” Costa (PRVT)

Another fight with three full rounds. Both fighters showed great skill and held firm, even when tired. Thus, by unanimous decision, the victory went to Jairo “Nego Jairo”.

Fight 10

Jair “Palito” Leonel (TFT-BF TEAM) vs. Leonardo “Leo Ivo” Ivo (TEAM Nogueira)

In the fight between MG X GO, the fighter Leonardo “Leo Ivo”, representing the state of Goiás, came out on top by unanimous decision of the judges after the three rounds were completed.

Fight 11

Dayane “Monster” Souza (TFT) vs. Jaqueline “JACK 3D” Ferreira (RD Champion-RJ)

In the second women's fight of the night, in a "monstrous" fashion, fighter Dayane "Monster" completely dominated her opponent, winning the fight in the first round by technical knockout.

Fight 12

Lucas “FEIO” Barros (TEAM Kiosh) vs. Junior Luiz (Rizzo RVT-LB)

The fight between the neighboring states of Rio de Janeiro and São Paulo started intensely. In the first round, Junior Luiz from Rio de Janeiro dominated, and Lucas from São Paulo held on well. In the second round, Junior landed two consecutive knee strikes, and Lucas withstood them once again. In the end, the fighter representing the state of Rio de Janeiro, Junior Luiz, won by unanimous decision.

Fight 13

Altamiro de Jesus Pereira (TFT) vs. Felipe “Takanori” Pereira (MPBJJ-NU-Manaus)

The fight was decided in the second round at 2 minutes with a rear-naked choke submission by Felipe “Takanori” Pereira from Manaus. Besides bringing the victory back to the north of the country, he also earned the opportunity to fight for the belt in his next bout.

Fight 14

Adriano “Coiote” Silva (NOCAUTE TEAM-Macapá) vs. Tony Fox (TEAM Nogueira)

It was a very intense fight. After a war waged by the fighters, it was difficult to know who would be the winner. But by unanimous decision of the judges, fighter Tony Fox was declared the winner.

Fight 15 – Middleweight Championship

Lucas Almeida (TEAM Kioshi) x Nicolas “La Cobra” Cocuccio (RD Champions-Argentina)

In the most anticipated fight of the night, the Middleweight Championship bout was a gala contest between Brazil and Argentina. The fight was fierce until, at the end of the second round, the Brazilian landed an incredible knee strike on his opponent, sending the crowd into a frenzy. Victory for Brazilian Lucas Almeida, by knockout, the new holder of the Jungle Fight Middleweight Championship.

2. Eye gouging of any kind;
   a. Eye gouging by means of fingers, chin, or elbow is illegal. Legal strikes or punches that contact the fighter's eye socket are not eye gouging and shall be considered legal attacks.
3. Biting or spitting at an opponent;
   a. Biting in any form is illegal. A fighter must recognize that a referee may not be able to physically observe some actions and must make the referee aware if they are being bit during an exhibition of unarmed combat.
4. Fish Hooking;
   a. Any attempt by a fighter to use their fingers in a manner that attacks their opponent's mouth, nose or ears, stretching the skin to that area will be considered "Fish hooking". Fish hooking generally is the placing of fingers into the mouth or your opponent and pulling your hands in opposing directions while holding onto the skin of your opponent.

   a. Pulling of the hair in any fashion is an illegal action. A fighter may not grab a hold of his opponent's hair to control their opponent in any way. If a fighter has long hair, they may not use their hair as a tool for holding or choking in any fashion.
6. Spiking the opponent to the canvas onto the head or neck (pile-driving);
   a. Any throw with an arc to its motion is to be considered a legal throw. It does not matter if the opponents head hits the canvas. A pile driver is considered to be any throw where you control your opponent's body placing their feet up in the air with their head straight down and then forcibly drives the opponents head into the canvas or flooring material. It should be noted when a fighter is placed into a submission hold by their opponent, if that fighter is capable of elevating their opponent, they may bring that opponent down in any fashion they desire because they are not in control of their opponent's body. The fighter who is attempting the submission can either adjust their position or let go of their hold before being slammed to the canvas.
7. Strikes to the spine or the back of the head;
   a. The back of the head starts at the Crown of the head with a one (1) inch variance to either side, running down the back of the head to the occipital junction.
   b. This area stretches out at the occipital junction (nape of the neck) to cover the entire width of the neck. It then travels down the spine with a one (1) inch variance from the spine's centerline, including the tailbone.
8. Throat strikes of any kind and/or grabbing the trachea;
   a. No directed throat strikes are allowed. A directed attack would include a fighter pulling his opponents head in a way to open the neck area for a striking attack. A fighter may not gouge their fingers or thumb into their opponent's neck or trachea in an attempt to submit their opponent. 10. Downward pointing elbow strike (12 to 6);
    a. The use of a linear "straight up straight down" elbow strike is prohibited. Any variation of this straight up and down linear elbow strike makes the strike legal. Any arc, or any angle change from straight up to straight down makes the strike legal. Any variation of position does not alter the legality of the strike.
11. Groin attacks of any kind;
    a. Any attack to the groin area including, striking, grabbing, pinching or twisting is illegal. It should be clear that groin attacks are the same for men and women.
12. Kneeing and/or Kicking the head of a grounded opponent;
    a. A grounded fighter is defined as: Any part of the body, other sole of the feet touching the fighting area floor. To be grounded, the palm of one hand (a flat palm) must be down, and/or any other body part must be touching the fighting area floor. A single knee, arm, (not fingers) makes the fighter grounded without having to have any other body part in touch with the fighting area floor. At this time, kicks or knees to the head will not be allowed.
13. Stomping of a grounded fighter;
    a. Stomping is considered any type of striking action with the feet where the fighter lifts their leg up bending their leg at the knee and initiating a striking action with the bottom of their foot or heel.
    b. Axe kicks are not stomping. Standing foot stops are NOT a foul. As such, this foul does not include stomping the feet of a standing fighter.

14. Holding opponent's gloves or shorts;
    a. A fighter may not control their opponent's movement by holding onto their opponent's shorts or gloves. A fighter may hold onto or grab their opponent's hand as long as they are not controlling the hand only by using the material of the glove, but by actually gripping the hand of the opponent. It is legal to hold onto your own gloves or shorts.
15. Holding or grabbing the fence or ropes with fingers or toes;
    a. A fighter may put their hands on the fence and push off of it at any time. A fighter may place their feet onto the cage and have their toes go through the fencing material at any time. When a fighter's fingers or toes go through the cage and grab hold of the fence and start to control either their body position or their opponent's body position it now becomes an illegal action. A fighter may not grab the ropes or wrap their arms over or under the ring ropes at any time. The fighter may not purposely step through the ropes. If a fighter is caught holding the fence, cage or ring rope material the referee may issue a one-point deduction from the offending fighters scorecard if the foul caused a substantial effect in the fight. If a point deduction for holding the fence occurs, and because of the infraction, the fouling fighter ends up in a superior position due to the foul, the fighters should be re-started by the referee, standing in a neutral position.

Timidity can also be called by the referee for any attempt by a fighter to receive time by falsely claiming a foul, injury, or purposely dropping or spitting out their mouthpiece or other action designed to stall or delay the action of the fight
21. Use of abusive language in the fighting area;
    a. The use of abusive language is not allowed during MMA competition. It is the sole responsibility of the referee to determine when language crosses over the line to abusive. It should be clear that fighters can talk during a match. The mere use of auditory language is not a violation of this rule. Examples of abusive language would be (Racially motivated or Derogatory language).
22. Flagrant disregard of the referee's instructions;
    a. A fighter MUST follow the instructions of the referee at all times. Any deviation or non-compliance may result in the fighter's disqualification.

    a. Every athlete competing in the sport of MMA is expected to represent the sport in a positive light emphasizing sportsmanship and humility. Any athlete that disrespects the rules of the sport or attempts to inflict unnecessary harm on a competitor who has been either taken out of the competition by the referee or has tapped out of the competition shall be viewed as being unsportsmanlike.

24. Attacking an opponent after the bell has sounded the end of the period of unarmed combat;

A. Intentional Fouls

1. If an intentional foul causes an injury, and the injury is severe enough to terminate the bout immediately, the fighter causing the injury shall lose by disqualification.

2. If an intentional foul causes an injury and the bout is allowed to continue, the referee shall notify the authorities and deduct two (2) points from the fighter who caused the foul. Point deductions for intentional fouls will be mandatory.

3. If an intentional foul causes a laceration and/or swelling and the bout is allowed to continue, and the injury results in the fight being stopped in any round after ½ of the scheduled rounds, of the fight has been completed, by either another legal or illegal strike, the injured fighter will win by TECHNICAL DECISION if they are ahead on the score cards; and the bout will result in a TECHNICAL DRAW if the injured fighter is behind or even on the score cards.

4. If the fighter injures himself/herself while attempting to intentionally foul their opponent, the referee will not act in their favor, and this injury shall be the same as one produced by a fair blow.

5. If the referee feels that a fighter has conducted themselves in an unsportsmanlike manner, they may stop the action of the fight to deduct points or stop the bout to disqualify the fighter.

The bout will result in a TECHNICAL DECISION awarded to the fighter who is ahead on the score cards at the time the bout is stopped. Partial or incomplete rounds will be scored. If no action has occurred, the round should be scored as an even round. This is at the discretion of the judges.

3. If a fighter, during the course of a round, visibly loses control of bodily function (vomit, urine, feces), the fight shall be stopped by the referee and the fighter shall lose the contest by a Technical Knockout (TKO) due to Medical Stoppage.

i. In the event a loss of bodily function occurs in the rest period between rounds, the ringside physician shall be called in to evaluate if the combatant can continue. If the fighter goes over the five-minute time allotment the fight cannot be restarted and the contest must come to an end with the outcome determined by the round and time in which the fight was stopped.

A. Judging Criteria

a. All bouts will be evaluated and scored by a minimum of three (3) judges.
b. The 10 Point Must System will be the standard of scoring about.
i. Under the 10-Point Must Scoring System, 10 points must be awarded to the winner of the round and nine points or less must be awarded to the loser, except for a rare even round, which is scored (10-10).
c. Judges shall evaluate Mixed Martial Arts techniques, such as effective striking/grappling(Plan A), effective aggressiveness(Plan B),and control of the fighting area(Plan C).Plans B and C are not taken into consideration unless Plan A is weighed as being even.
d. Evaluations shall be made in the specific order in which the techniques appear in (c)above ,giving the most weight in scoring to effective striking/grappling, and effective aggressiveness, and control of the fighting area.
e. Effective striking is judged by determining the impact/effect of legal strikes landed by a contestant solely based on the results of such legal strikes. Effective grappling is assessed by the successful executions and impactful/effective result(s)coming from: takedown(s), submission attempt(s), achieving an advantageous position(s) and reversal(s).
f. Effective aggressiveness means aggressively making attempts to finish the fight.
g. Fighting area control is assessed by determining who is dictating the pace, place and position of the bout.

1.Thefollowing objective scoring criteria shall be utilized by the judges when scoring a round:

(i) Around is to be scored as a 10-10 Round when both contestants have competed for whatever duration of time in the round and there is no difference or advantage between either fighter;

(ii)Around is to be scored as a 10-9 Round when a contestant wins by a close margin; where the winning fighter lands the better strikes or utilizes effective grappling during the round;

(iii)A round is to be scored as a 10-8 Round when a contestant wins the round by a large margin by impact, dominance, and duration of striking or grappling in a round.

(iv)A round is to be scored as a 10-7 Round when a contestant is completely dominated by impact, dominance, and duration of striking or grappling in a round.

2. Impact: A judge shall assess if a fighter impacts their opponent significantly in the round, even though they may not have dominated the action. Impact includes visible evidence such as swelling and lacerations. Impact shall also be assessed when a fighter's actions, using striking and/or grappling, lead to a diminishing of their opponent's energy, confidence, abilities and spirit. All of these come as a direct result of impact. When a fighter is impacted by strikes, by lack of control and/or ability, this can create defining moments in the round and shall be assessed with great value.

3. Dominance: As MMA is an offensive based sport, dominance of a round can be seen in striking when the losing fighter is forced to continually defend, with no counters or reaction taken when openings present themselves. Dominance in the grappling phase can be seen by fighter staking dominant positions in the fight and utilizing those positions to attempt fight ending submissions or attacks. Merely holding a dominant position(s) shall not be a primary factor in assessing dominance. What the fighter does with those positions is what must be assessed. In the absence of dominance in the grappling phase, as set forth in paragraph 3 of the promulgated rules, to be considered dominate, there must be a singularly or in combination, some types of submission attempts, strikes, or an overwhelming pace which is measured by improved or aggressive positional changes that cause the losing fighter to consistently be in a defensive or reactive mode

4. Duration: Duration is defined by the time spent by one fighter effectively attacking, controlling, and impacting their opponent; while the opponent offers little to no offensive output. A judge shall assess duration by recognizing the relative time in a round when one fighter takes and maintains full control of the effective offense. This can be assessed both standing and grounded.

5. Scoring of Incomplete Rounds: There should be scoring of incomplete rounds. If the referee penalizes either contestant, then the appropriate points shall be deducted when the scorekeeper calculates the final score for the partial round

B. Types of Decisions

i. Tap Out: When a contestant physically uses of their body to indicate that he or she no longer wishes to continue; or

iii. Technical Submission: When a legal submission act results in unconsciousness or broken/dislocated bone(s)/joint(s).

b. Technical Knockout (TKO) by:

e. No Contest:

i. When a contestant is prematurely stopped due to accidental injury and a sufficient amount of time has not been completed to render a decision via the score cards.

f. Decisions:

i. Unanimous Decision: When all three judges score the bout for the same contestant;
ii. Split Decision: When two judges score the bout for one contestant and one judge scores for the opponent; or
iii. Majority Decision: When two judges score the bout for the same contestant and one judge scores a draw;
iv. Technical Decision: When a bout is prematurely stopped due to injury from an accidental foul and a contestant is leading on the score cards;

g. Draws:

iii. Split Draw – When all three judges score differently and the score total results in a draw;

- A completed 2 rounds of a scheduled 3 round bout or
- A completed 3 rounds of a scheduled 5 round bout

If the injured contestant is even or behind on the score cards at the time of stoppage, the decision is a Technical Draw.

Acceleration shall not serve to affect or terminate any of the Ancillary Rights, and this Contract shall survive an Acceleration and remain in full force and effect with respect thereto.

2.3 Termination by Fighter. If **LFA** fails or refuses to fully perform any **LFA** obligation under this Contract, or if **LFA** breaches or otherwise violates any **LFA** representation or warranty herein, then, in addition to all other rights and remedies available to her, **Fighter** may immediately terminate this Contract if **LFA** does not within fifteen (15) business days from Notice thereof by **Fighter** perform every actual instance of such failure to perform, and cure every actual instance of such breach or violation. **Fighter** acknowledges and understands that **Fighter** shall in no event be entitled to consequential, incidental or punitive damages of any kind as a result of **Fighter**'s termination hereof. **[Notwithstanding any other provision of this Contract, if Ed Soares and/or Mark Bieri ceases to be an actively involved in the operations, and the final decision makers of**

9.8 Unless previously approved in a writing signed by an executive officer of **LFA**, **Fighter** and/or **Fighter**'s Affiliates shall not use any of **LFA**'s intellectual property; and

10. ASSUMPTION OF RISK. **FIGHTER** UNDERSTANDS, ACKNOWLEDGES AND RECOGNIZES THAT TRAINING FOR AND PARTICIPATING IN MIXED MARTIAL ARTS IS AN INHERENTLY AND ABNORMALLY DANGEROUS ACTIVITY THAT CAN (AND, AT TIMES, DOES) RESULT IN SEVERE AND PERMANENT PHYSICAL INJURY, INCLUDING IRREVERSIBLE NEUROLOGICAL TRAUMA, DISABILITY AND DEATH. **Fighter** has knowingly, intelligently, and deliberately evaluated the inherent risks and dangers of training for and/or participating in the Bout(s) (and the sport of mixed martial arts more generally), and declares that she

is physically, mentally, emotionally, and intellectually ready, willing and able to accept, and does so accept, for herself, and her spouse, heirs, assigns, executors, and administrators, all such risks and dangers clearly, unambiguously and explicitly, as well as all risks associated with participating in the Bout, specifically, and the sport of mixed martial arts more generally, whether presently known or unknown, foreseen or unforeseen, and shall not look to **LFA** and/or any of **LFA**'s subsidiaries, sponsors, successors, assigns, managers, officers, members, employees, attorneys, representatives, agents, co-promoters, co-producers, and licensees (each an "**Indemnitee**") for payment of or contribution toward or for any injury suffered by **Fighter** during the Bout or the preparation therefor.

11. WAIVER AND RELEASE OF ALL CLAIMS. As further consideration for the opportunity to participate in the Bout(s), and with full knowledge of the risks and dangers involved and assumed by **Fighter** hereunder, and to the maximum extent permitted by law, **Fighter**, for herself and **Fighter**'s heirs, assigns, executors, and administrators, hereby voluntarily, completely, and irrevocably releases, discharges, waives and relinquishes each and every past, present, and future claim and cause of action that **Fighter** has or may have against **LFA**, any Indemnitee, and/or any member, manager, director, officer, employee, representative, agent, and/or contractor of **LFA** and/or an Indemnitee (in their respective individual, personal and representative capacity), from and/or for any injury or death that **Fighter** suffers as a result of training for and/or participating in the Bout(s), any Pre-Bout Event, Post-Bout Event, or travel to or from any of the foregoing, including every claim that such injury or death resulted from the negligence of any kind by or on behalf of **LFA**, an Indemnitee, and/or any member, manager, director, officer, employee, representative, agent, and/or contractor of **LFA** and/or an Indemnitee. In furtherance thereof, **Fighter** specifically waives and shall not assert any argument that a claim that would otherwise have been ***waived and released*** under this Section 11 survives merely by virtue of a law similar to **California Civil Code, Section 1542**.

12. INDEMNIFICATION. **Fighter** shall indemnify, defend and hold harmless **LFA**, every Indemnitee, and every member, manager, director, officer, employee, representative, agent, attorney and/or contractor of **LFA** and/or an Indemnitee from and against any and every claim, action, proceeding, expense (including the actual attorneys' fees charged by counsel of the indemnified party's choice, as well as expert witnesses' fees, as and when incurred) and damages arising from or relating to any claimed breach of this Contract or any Bout Agreement by **Fighter** and/or any **Fighter**'s Affiliates, or the inaccuracy of any **Fighter**'s representation, warranty, or covenant contained within this Contract or any Bout Agreement.

13. MEDICAL EXAMINATION REPORT. **Fighter** shall, at **Fighter**'s sole cost and effort, complete a physical medical examination and complete such other evaluations and testing as are required by **LFA** and/or the Governing Athletic Commission, and receive affirmative clearance from a licensed physician that is given no more than fourteen (14) from signing this Contract, and deliver to **LFA** all of the results and reports therefrom no less than fourteen (14) days from signing this Contract, unless LFA instructs Fighter otherwise in a separate writing. Such examination is contingent upon and must comply with the State Commission where each Bout is to be held. If the State Commission where the Bout is to be held does not accept the medicals of the **Fighter**'s place of residence, the **Fighter** is financially responsible for all medicals in compliance with the State Commission where the Bout is to be held. Although **LFA** does not pay for **Fighter**'s medicals, **LFA** will assist **Fighter** with making arrangements for medicals for **Fighter** if **Fighter**'s own medicals are not acceptable to the State Commission where the Bouts are to be held. **Fighter** shall not be permitted to participate in any Bout if the results and/or report from a medical examination restrict or in any way hamper **Fighter**'s ability

to compete in the Bout, or if such results and report are not provided to **LFA** at least fourteen (14) days from the day this Contract is signed.

Former gold miner Rafael Mulisha plans to sign a contract with the UFC: "I deserve it."

Brazilian fighter will be in the co-main event of LFA 147 this Friday: "I want to prove that I am a top athlete"; Mulisha worked in mining to keep his dream of becoming a fighter alive.

Originally from Apiacás, a municipality in the far north of Mato Grosso, Rafael "Mulisha" do Nascimento will have his second fight in the LFA this Friday against American Justin Wetzell, in the bantamweight category (up to 61kg). The Brazilian, who has seven wins and one loss on his record, dreams of a UFC contract.

> **"After this guy, I want a contract with the UFC, because I've proven I deserve it. I accepted the fight at the last minute. I deserve a contract with the biggest organization in the world," Mulisha said in an interview with Combate.com .**

Passionate about MMA, Rafael Mulisha didn't have the opportunity in the city where he lived because there was no gym. In 2012, the fighter went to Minas Gerais, where he began training, and a year later he debuted in the sport against Junior Pereira, whom he submitted in the first round of the fight.

It was love at first sight. When I stepped into the octagon, I said: this is what I want for my life. I want to do more fights.

Born and raised in a gold mining area, Mulisha remained steadfast in his dream of becoming a top athlete thanks to his work as a gold miner and diver. During an interview with **Combate** , Rafael explained that he would spend time in his hometown to save money and return to the major centers, where he would train and prepare for fights.

UFC: Jennifer Maia says Maryna Moroz is a good fight to get back to winning.

The Brazilian strung together four consecutive submission victories in different competitions. In November 2018, Rafael fought Wilker Pereira and suffered the first and only defeat of his career. The fight, however, ended in disqualification after an illegal kick.

"It was really bad. I was very upset during the fight because I had trained a lot and they disqualified me unfairly. But life goes on, I looked ahead and started my career again. And I'm managing to earn my place," he recalled.

Robert Whittaker is "shocked" by Alex Poatan's size: "Who let him in?"

Mulisha returned to the octagon 11 months later and added two more victories, one by submission and the other by judges' decision. In his last fight of 2019, the kickboxing black belt fractured his facial bone and was unable to train for 180 days, forcing him to return to Mato Grosso. With the COVID-19 pandemic, the fighter did not have the financial means to return to Rio de Janeiro. Thus, he spent two years without fighting or training, only working.

- In November 2021, my barge caught fire and I lost it completely. I ended up losing all my machinery. When I saw that everything was burned, I said: "I think my career here in mining is over." God touched my heart and told me to follow my dream again. In January, I was already in Rio de Janeiro training - said Rafael Mulisha.

After two months of training, Mulisha obtained his visa and moved to Los Angeles, in the United States - where he made his LFA debut. Facing the then-knockout artist and undefeated Marcus McGhee, the fighter from Mato Grosso won the fight in the first round with a rear-naked choke.

Israel Adesanya receives police summons to explain in court the possession of brass knuckles.

Now, against Justin Wetzell, a fight he accepted 18 days before the event, Mulisha expects a tough duel and believes it will be a turning point in his career.

- This is a fight that could completely change my career. He's a very tough opponent, ranked number one in his state, a complete fighte a striker with quality wrestling. I accepted this fight because I think I have the tools to beat him; I have jiu-jitsu, I can overcome his wrestling, and I have striking too.

"My expectation for LFA 147 is to prove that I'm a top athlete, and since they gave me a top athlete, I have to prove that I'm better than him. And they can be sure it's going to be a show. I'm prepared to fight on the ground, standing up, wherever he wants to fight, we'll fight. And in the end, no matter what happens, my arm will be raised," he concluded.

LFA 147 Service

Combate will broadcast the event starting at 11 PM (Brasilia time). The first two fights will also be available on sportv3.

Meet Rafael Mulisha, a former prospector who fights in the UFC's lower divisions in the United States.

For every young **martial arts** enthusiast , living abroad and fighting on the world's biggest stages is a dream. The path is arduous, but it can be even more difficult when your "home" is far from major centers. Such was the journey of Rafael "Mulisha" Nascimento, a 30-year-old fighter from Apiacás, a city of less than 10,000 inhabitants in the far north of Mato Grosso.

- I came from a very small town where everyone knows each other, and mining has always been the occupation of most of the population there. It was no different for me. I come from a family of miners, and that's always been my background. As a child, the kids liked to play with balls, but I always liked sports and more extreme games," Rafael said.

Opening a gym in Rafael's hometown channeled this passion and transformed the Mato Grosso native's life.

"That's when a very small gym opened in my town. I was 12 years old and there was only karate there, but today, looking back, it's as if from the first contact I already knew what path I wanted to take," he recounted.

The story, however, contained a lot of hard work between the means and the ends, before becoming an example of success. "Mulisha" toured back and forth between mining and fighting until 2019.

"There were many facets to this dream. I always saw mining as my sponsor. Something I had to do to finance my goals. Whenever I managed to save enough money, I'd go to Rio de Janeiro, train, and fight with the best in the country. The money would run out, and I'd have to go back even if I wanted to stay," the fighter recalled.

A tragic incident determined Rafael's future, and at 29, he decided to leave his profession and pursue what he'd always wanted.

"That year, a fire accident happened, and I lost all my machinery and my raft. At the time, it was terrible, but today I see that all the signs that brought me here led me to where I should

have gone long before," Rafael said.

Today, living in Los Angeles and competing at a high level in the world's biggest MMA centers, Rafael says he's ready and motivated to continue climbing the ladder and gaining ground on the scene.

"My life has changed. I live for fighting and dedicate my body and mind to the success of my career. I know the obstacles are great, but I'm prepared and ready for anything," commented the fighter.

A black belt in kickboxing and a purple belt in jiu-jitsu, "Mulisha" debuted in the Legacy Fighting Alliance (LFA) bantamweight division in July of this year at an event held in Phoenix, Arizona. He won with a rear naked choke submission against the top-ranked fighter in the entire state. His record totals seven official fights, with six wins and only one loss, including a triumph at Jungle Fight 99 in Rio de Janeiro. Awaiting confirmation, Rafael is eager to return to the octagon in October or November to gain valuable positions in the league's rankings.

Latin America's biggest MMA event returns to Rio de Janeiro. One week after holding another major edition in Belo Horizonte, Jungle Fight on DAZN is hosting its 99th edition at the Professor Manoel José Gomes Tubino Olympic Village in Jacarepaguá. In the main event, the rivalry between Brazil and Argentina will be the highlight of the evening. In a fight for the lightweight title (up to 70kg), undefeated Lucas Almeida will face Argentine up-and-comer Nicolas Cocuccio. Jungle Fight president Wallid Ismail is excited about another edition in the Marvelous City and is betting that the main event will be one of the biggest MMA fights of the year.

"I'm very happy to be here at the 99th edition here in Rio de Janeiro. I'm sure the fans will pack the Olympic Village gymnasium. Once again, we'll showcase the strength of Latin American MMA. Lucas has ten fights and ten wins, six by knockout and four by submission. He's already won three fights in Jungle Fight, always putting on a show. And an athlete who puts on a show is guaranteed a place in the jungle. This event will be spectacular," said Wallid.

Rafael do Nascimento 'Mulisha' from Apiaca recorded the most important victory of his career this weekend at Legacy Fighting Alliance 135 in Phoenix, Arizona, United States. The 30-year-old Brazilian fighter notched his third consecutive career victory after submitting American Marcus McGhee with a rear-naked choke at 3:12 of the first round. The bout was in the bantamweight division (up to 61 kilograms).

Speaking to Só Notícias, 'Mulisha' commented on his sixth submission victory in MMA. "I knew I was going to win this fight. My opponent was tough, coming off four consecutive knockouts, but I knew I had the perfect tools to fight him both standing and on the ground. I managed to get the win in the first round with another submission."

It was the Mato Grosso native's debut at the prestigious American event. "It's a dream of mine to be fighting in the LFA, which is one of the biggest events in the world. Today, I train here at CMMA in Los Angeles and at Machida with several Bellator and UFC athletes. As

soon as I arrived here, I won the Naga Championship (grappling event)."

Currently living in the United States, Rafael revealed that he plans to return to action by the end of the year. "I'm focused on my career. I have to return to Brazil to sign my visa. By the end of the year, I plan to fight again in the LFA," he stated.

With seven wins and only one loss in his MMA career, Rafael dedicated his victory to Apiacás. "I have to thank my sponsor Rodrigo Melo, a young businessman from Alta Floresta who embraced this dream with me. This victory was a gift to Apiacás for its 34 years, and to our wonderful Mato Grosso," he concluded.

Só Notícias is the first virtual newspaper in the interior of Mato Grosso, on the air for 25 years with the best information.

Mato Grosso MMA fighter **Rafael Mulisha** , 32, will fight for the bantamweight title on the main card of the *Legacy Fighting Alliance* (LFA) event in Chandler, Arizona (USA). Scheduled for July 12, the challenge will be against the current belt holder, American John Sweeney.

Mulisha is on a strong run of fights, winning five of his last six fights, including three victories in the LFA, one of the world's top MMA leagues. In his last appearance in the *cage* , in June of last year, he defeated American Jordan Winski.

In his previous fight, Rafael had challenged for the interim title against American Jerrel Hodge in Ohio, USA. However, he lost the decision to his opponent in a close battle.

In his new challenge, Mulisha will have a tough fight ahead against John Sweeney, who is experiencing the best moment of his career, with seven consecutive victories - the last of which was against Brazilian *Allan Begosso* , in June 2023, when he won the belt in the category.

FROM THE MINING TO THE OCTAGON

Coming from a family of gold miners, **Rafael do Nascimento** is from the city of **Apiacás** , in the far north of Mato Grosso.

A black belt in kickboxing and a purple belt in jiu-jitsu, *"Mulisha"* began working at a young age, extracting gold in the region's mines. However, the athlete saw his life change with the opening of a martial arts academy in his hometown, 963 kilometers from Cuiabá.

"A very small gym opened in my town. I was 12 years old, and there was only karate there. But now, looking back, it was as if the first time I met him, I already knew what path I wanted to take," said the fighter in a 2022 interview with the sports portal *'Lance!'* .

Before officially entering his fighting career, Rafael's history in the sport was built with a lot of sweat and effort, dividing his time between his work as a miner and training.

"I always saw mining as my sponsor, something I had to do to finance my goals. Whenever I managed to save enough money, I'd go to Rio de Janeiro, train, and fight with the best in the country. The money would run out, and I'd have to go back, even if I wanted to stay," he noted.

However, in 2019, an incident at the mine changed his trajectory.

"That year there was a fire accident and I lost all my machinery and my [mining] raft. At the time it was terrible, but today I see that all the signs that brought me here, led me to where I should have gone much earlier ," he emphasized.

Today, living in Los Angeles (USA), after passing through several MMA leagues in Brazil and competing at a high level in the biggest centers of the sport in the world, Rafael Mulisha from Mato Grosso is now seeking a place in the **Ultimate Fight Championship (UFC)** , the main MMA league in the world.

Mato Grosso natives Erick Visconde and Rafael Mulisha shone in the early hours of this Saturday (11) at LFA 199 held in Leemore, California (USA). Both fought on the main card of the event, considered one of the most renowned MMA events in the world.

The first to enter the cage was fighter Rafael Mulisha, who represents Apiacás (487 km from Sinop). In a featherweight duel against American Brandon Altomare, Mulisha won by submission at 2 minutes and 6 seconds of the first round with a calf lock. With the victory, he reached 10 career victories.

According to Mulisha, Mato Grosso is very well represented in the LFA

In the main event of the evening, Sinop representative Erick Visconde delivered a brutal knockout with a spinning elbow just over a minute into the second round against his compatriot Ary Farias, in the featherweight division. It was Erick's second consecutive victory in the LFA. Last October, he debuted in the organization with a victory over Kyrgyzstan's Busurmankul Abdibait.

Fighter from Mato Grosso faces American for the LFA belt

By: Nilson Aranha
Date: July 12, 2024

Mulisha accepted the challenge, even with American fighter John Sweeney out of weight.

Born in the municipality of Apiacas, in the far north of the state of Mato Grosso, MMA fighter Rafael "Mulisha" Nascimento, 32, will soon compete for the bantamweight title on the main card of the LFA – Legacy Fighting Alliance, one of the world's leading MMA leagues. The event will take place in Chandler, Arizona (USA).

The Brazilian is on a strong run in his recent LFA fights. His LFA record includes 9 fights, 2 losses, and no draws.

The Mato Grosso fighter's opponent will be American John Sweeney, the current bantamweight titleholder who is on a winning streak. His record includes 13 fights, 3 losses, and no draws.

Nascimento has the opportunity to regain the belt in the category that belonged to Brazilian Allan Begosso, who lost it to American John Sweeney in June 2023.

Even though his opponent was out of weight, Mulisha didn't let the fight fall through and accepted the challenge, having to move up a weight class. He moved up from the 61-kilogram weight class and will now fight in the 66-kilogram weight class, the same weight as his opponent. "We're going to go after that belt, though. I've trained hard for this moment, and I hope I can count on the support and support of all Brazilians."

After competing in several MMA leagues in Brazil, Rafael "Mulisha" Nascimento currently resides in Los Angeles, USA, where he competes against the world's greatest fighters. If he wins his upcoming fight, Mato Grosso native Rafael Mulisha will take an important step toward joining the world's premier MMA league, the UFC – Ultimate Fight Championship.

The last official fight of the Apiacaense fighter, the gold digger, was in July of last year in Phoenix, Arizona, USA, for the bantamweight belt at LFA 184.

Rafael Nascimento faces Brandon Altomare, a veteran of the American army

Nascimento said he has overcome losing his belt and is ready to begin a new phase of his career. "Learn from your failures, get up, and move forward with greater determination, because each day is a new opportunity to be the best version of yourself. Motivation is like a muscle: the more you exercise it, the stronger it becomes." The Mato Grosso prospector faces American Brandon Altomare, a U.S. Army veteran on a four-fight winning streak and making his LFA debut.

Sinopense Erick Visconde faces Ary Farias from Manaus

The main event of the evening will be between two Brazilian jiu-jitsu black belts. Sinop native Erick Visconde, a LFA veteran with 14 wins, will face his compatriot Ary Farias, a seven-time jiu-jitsu world champion. This bout will be the last of the evening.

The main fight of LFA 199 takes place this Friday, January 10th and will be broadcast on ufcfightpass starting at midnight

About ge

ge.globo.com/institucional/paginas/sobre-o-ge.ghtml

September 2, 2022

On April 23, 2005, ge, Globo's sports website, went live. With it, all sports content from all Globo channels could be found in a single location. The site also gained its own team to provide daily coverage of Brazilian clubs, international soccer, and other sports. To operationalize the project, a hybrid structure was created that included professionals, knowledge, and infrastructure from both TV Globo's journalism department and globo.com—a company created in 2000 by Organizações Globo [now Grupo Globo] to provide online services and content.

Since its inception, ge has prioritized the fan. One of the pioneers in the concept of team homepages, easily accessible from the main homepage via the crest, each page features information, opinions, and even fan perspectives in texts, photos, videos, and podcasts. And the same concept extended to other sports that Brazilians follow, on courts, tracks, mats, and more.

Soon, ge (then globoesporte.com) became a benchmark for sports coverage and monitoring in Brazil. In 2007, it became the leading audience among Brazilian sports portals. Today, it reaches an average of over 35 million monthly users, according to Comscore. ge has newsrooms in every Brazilian state, is present on major social media platforms, and has versions for iOS and Android apps.

Who we are

TATAME Magazine: since 1994

TATAME: 27 years fighting for better information

The year was 1994, and the place was Rio de Janeiro. The sport, introduced to Brazil by the Gracie family, had become a craze in Rio de Janeiro. Everyone practiced it, had practiced it, or wanted to practice it. Jiu-Jitsu academies were full and growing in number every day. It was in this context that "O TATAME, Jornal do Jiu-Jitsu" (The TATAME, Jiu-Jitsu Journal) emerged. Created to cover events, athletes, personalities, and everything else related to the world of the gentle art, the project evolved, becoming a magazine in 1998, and began covering all martial arts—especially MMA and Jiu-Jitsu. Its website (www.tatame.com.br) launched in 1999 and, since then, has kept pace with trends in new media and the sport.

Currently, TATAME is comprised of a team of specialized journalists and contributors, and is present on several platforms (see below). Furthermore, we have witnessed the process that transformed amateur fighters into professionals, being part of the entire evolution of martial arts in Brazil and worldwide. We cover the main fighting events, produce exclusive, serious, and high-quality content, and are always aware of the most important developments in the field. Credibility, dedication, and quality: these are the values TATAME has upheld for almost 28 years.

and now starting another Megafone program here on Canal pneumol, that channel that you already know today
0:06
program is ok, it will be difficult to hold this program and there will be fighting, we will start with
0:13
Rafael do Nascimento mulisha Para Você just showed up to say hi to everyone
0:19
Hey guys Rafael Bolacha in the area here directly from Los Angeles let's go
0:24
chat with the guys from Megafone, it's amazing Rafael, so today we're going to get to know a little about the lives of
0:31
Brazilian fighters who leave the country to try to reach the big ones
0:38
martial arts stages is one of them apps and today you are in them is on credit is
0:44
this and the athletes of the lfa appeared, which is the most open door in the world, it is a
0:53
It's a great pleasure to be part of this event, which I think is every athlete's dream, to be part of it. Ah
0:59
and so is the lfa is one is one is the door of
1:05
entrance to herpes and whoever stands out there here is usually called
1:10
man, I even think that thirty to forty percent of UFC fighters come from Alef and it's the gateway to entry
1:18
around here is the UFC event, the dream of every fighter. Man, it really is the dream.
1:25
of all fighters, the top is the world cup, it's like it's the biggest event
1:32
of all time the biggest dream of any athlete is to reach it, thanks and you are already at the door, so I had
1:39

taking a look at your Cartel here you are a lot of Vitória is doing really well there how is it that while I'm
1:46
starting to smell it, already smelling it, it should be there, so we're working hard there then
1:54
let's work hard to get there, reach the top, rappelling, let's go, nice to meet you, if you don't know yet
1:59
Not everyone who follows the channel here is passionate about UFC and martial arts
2:05
But if you're interested but don't know my father, you should know him because my father is addicted to MMA.
2:12
the man the man likes more then it is you is your origin is Mato Grosso right
2:19
city of this tell us how this journey is, that's it, I am
2:24
Mato Grosso native born in the interior of Mato Grosso in the city called Apiacás, an indigenous city very far inland
2:31
Even so, I think there must be 38 thousand inhabitants in the interior today
2:37
even and man my trajectory is it is very crazy I come from a city that
2:44
there is no gym in the gym in a martial arts gym it was a sweet dream fighter and
2:49
I was Constant little by little my space in 2017 I decided to always dedicate myself to sitting
2:57
my career as and I traveled to Rio de Janeiro and stayed there
3:04
During my time there, I had I think three fights in Rio de Janeiro and then I went back to Mato Grosso again, but this time in my city.
3:10
I didn't have a gym, I don't have Django in Rio de Janeiro in 2019 I fractured my
3:15
bone here in the face and they will have time for piraca to return soon in
3:23
followed at the beginning of 2020 Soon it will be above injury returned but when I got there then that pandemic and locked
3:29
Everything there was a bit complicated, man, in that game I stayed still for two years without doing anything, just getting fat
3:36
getting fat, he weighed 80 kg and UN bantamweight up to 61 kg, our only thing is that
3:43
During this break, I took advantage of it, not as much as the pandemic, I'm going to work, I'm going to save money and I'm going to invest in my career. I thought it was two years, but not a single one.

3:49
covering covered and my friend who I share an apartment with in Rio de Janeiro Heber Almeida from Bellator I already had
3:56
coming from the United States, people are here, we were already fighting. A handsome actor was already filming a movie, he was already in the spotlight.
4:03
here already and always calling me to come here comes the end no bro go
4:08
arrive on time I have faith in God it will arrive half an hour in 2022 at the end of 2021 God touched my heart that it was
4:15
God gave me the time to continue my journey as an athlete, to leave everything there in Mato Grosso and I move there in Mato Grosso. Move the
4:21
Little nose talk to a gold diving branch, right then I stopped everything and resolved it
4:26
the continuation of my dream, here comes the United States. I arrived here in April and my friend went to Guerra to train.
4:34
training wanting to conquer my space here in Los Angeles I train in China
4:40
Machida Karate with Lyoto Machida's brother but you and backpack arrived and
4:47
training MMA that we both do a lot at the gym, I was training super there, it doesn't even seem like I have that opportunity
4:53
opportunity for me Have it arrive on Wednesday And then I should have waited here in Los Angeles
4:59
then the owner of the leave called me to bring forward the premiere which was Marizona Hells Arizona was good inside
5:06
then inside and the guy was Pedreira my friend the guy came local taking
5:11
everyone everyone now rocked the fight did we go there it's always been like this
5:17
I went to Zara, go upstairs, son, I did my full test, we got there, there is no one
5:22
show there showing that we had more will to win the fight we took American for nothing there in the
5:29
at the end there I caught the first audio Wow cool but still man is how is it
5:35
how is it that if you are young you are interested in Mato Grosso without a gym, that's what it is
5:40

influenced by television even watching the fighters, man, it's today talking about it since I didn't even
5:48
I wanted to, I'm not going to watch the movie Karate 15, then when the movie ends I was going to
5:55
stop home And then man, you're not that kind of guy, but in my head it was impossible that a country kid lives
6:01
Today you know that he lives here in the countryside, there wasn't one there, the guy has a gym there, a karate teacher had one
6:07
then I entered this academy, I did a year, a year and a bit, I was a little kid, I was 11 years old, at first he left me
6:13
I always had this desire, man, you fighter, fighter, so in 2012 I moved to the other side of Minas Gerais
6:21
So I already looked for a gym there, right? For fighting, I wanted to go, I was 19 or 20.
6:26
years you man I go to not warp and I entered this gym learn jiu jitsu when I returned to my city in
6:33
2013 and a colleague of mine there who made a lavender meme anger the boy has the courage to fight you man let's go right now
6:40
trained I just arrived I put the light on my friend then I felt when I put on that glove that I entered to fight with the
6:47
car dry this stop that I want my life I never felt settled in my life adrenaline like feeling
6:52
that day and she doesn't have the car's first radio card or this will be here
6:57
that I want to eat life he from there to here bro was killing a lion a day to be Atlético you don't want complicated huh
7:03
Man, here in Brazil the big hubs are Rio de Janeiro, São Paulo or
7:10
There are big pyramids with big academies and big teams in other
7:16
states do not have a gym in other states Curitiba São Paulo but I
7:22
I think the flow is really there in Rio de Janeiro and São Paulo, but Rio itself is because that's how it is.
7:28
In Rio there are more gyms and more events, but Curitiba has a good cell phone.
7:33
São Paulo athletes also have will sleep in the northeast also has but the most

7:41
mine is really strong, right in Rio de Janeiro, I fooled you, you're going to do it that way
7:46
so he also went inland to the capital to get to Rio and then
7:53
who likes to go to Los Angeles to go abroad is like this when this proposal arrives
8:01
shakes the heart or is it good lady face is the dream of any athlete from Brazil is to come
8:07
to the United States but as your career takes off you are treated as if you were a real professional athlete
8:13
even here the treatment is high even only in 2019 when I sent it to Rio de
8:19
January was supposed to be my 2019 year, but I don't think it was time for my friend, my first web, he's going to help in the field.
8:26
Lyoto Machida and I was supposed to come if I had a view, but I couldn't get my documents to take the
8:31
seen there he comes in front but I knew that I felt that I was going to come too but I had to be in my own
8:37
time that moment was his time but my time came only 10
8:42
2019 to 2022k a lot happened in my life there was a moment when I thought like this
8:49
I used it in my career, although it's already damn and I don't think I'm going to fight anymore, I'm not going back, everything is getting difficult
8:56
staying away I'm not training and the guys are all training just filming When God writes your story nothing nothing will happen
9:03
change nothing when I wait for this story you have willpower my friend God will make your dreams come true
9:10
cool, I was going to ask you a question, Brazil in terms of MMA, it is one of the
9:17
countries that stand out the most along with the United States that have more fighters who win the championship that appears is
9:24
Brazil is a source of great fighters and it turns out that these great ones end up
9:31
going to the United States and the coaches too so it turns out that when you want to train with the guy who
9:38
Even if he's Brazilian and he's a beast and ends up giving it to you, he also comes here, yeah
9:44

because here we are going to assume that here we have everything first, right man, here we have the trainings
9:49
and how am I going to explain here, you have to go to the first world, everything is easier, right? But I don't think Brazil has a country like that.
9:56
world to win Brazil with MMA athletes there, man, there are a lot of athletes there and the
10:01
Brazilian athletes they come in the Race even though all of mine are there Life is hard but the guys are there already with
10:08
will is different from other countries, let's go here in the United States there are many, right, but the guys don't stay in
10:14
Playboy in the same way a good life is training for a hobby I already the Brazilian I didn't understand that war that wants to win in
10:21
life that is very early wants to see if the fight because his trajectory was killing a lion
10:27
per day I think most athletes in Brazil today have already been through this there my friend man you have to like
10:32
you really have to be passionate about why Sponsorship is difficult, the event there is not
10:37
pay pay on your lap the expense then put there you train to work our lady is the
10:44
killing a lion a day in Brazil right That's why we Brazilians highlight Brazil for many and many so it is for
10:53
It depends on this to support the family, right man? Like, it's the source of income.
10:58
His is the fight, if I don't turn around, I think my heart will come to me, I won't
11:04
you see the hand, he's in there, only if necessary, bye, turn it off, he can repair the evils, give it the best, man, he just
11:11
Get out of there with Vitória, they're there, you see the guy is cut but he's going for it because she wants to win. He wants to move.
11:18
because when he remembers if he lost that fight what he will have to go through my friend there Then the guy lets go of the
11:25
life in the backyard, putting on a show, that's why Brazil didn't find pleasure, right, man, here in the United States
11:30
Brazilians are well regarded here, man, if you see how Americans like Brazilian fighters, it's out of the ordinary.
11:37

Brazilian jiu-jitsu is the best antivirus in the world and Brazilians, when you get here, everyone wants to train
11:42
With you, everyone wants to learn from you because you are Brazilian and you don't even know that Brazilians are good and gritty, they have good jiu jitsu today and Brazilian jiu
11:51
jitsu there that calls for fighting is considered the best in the world and only
11:59
Grace family there in the time of Royce Chatarela here dominated the fights with jiu-jitsu
12:06
Brazilian, this is really cool, right guys, the guys there are also the Greeks
12:11
they took Brazil away with jiu jitsu, right? They made a man immortalized in the history of digitalized sports.
12:19
Thanks Greice, sometimes they did a lot for the sport, do you think that I gave a series of victories that
12:27
came to Brazil because of this and then we started to be respected in the world of fighting. Good thing I let you
12:34
ask another question how is your life today training wake up account for
12:40
People out there, what do you want to know about my life today? Thank God I can dedicate one hundred percent of my training to
12:47
Most of the fights I've done I've done one is half of my career always the soul
12:53
Now that I'm trying to become a professional, even now I've had my last three fights that I came to train
1:00 PM
professional even here man, I wake up, I go to train, I come home, I have lunch because I live at the gym here we
13:06
I'll come back, I'll have lunch, I'll train again, I'll rest and I'll do three prizes a day, dedicate 100%, that's it, bro, thanks to
13:13
God and you you and you work as an instructor something like that or is it just
13:20
I'm focused, I train to fight, not that I give some classes, some private classes here are to give a little extra, right?
13:28
To help out, it's cool, I give some classes that most of the athletes who give some classes on the side here, man.
13:33
Another thing people want to know is the fight between the fighter and the scales
1:40 PM
How is that? You're on the weight loss trail. That's good, bro. Everyone thinks that

13:46
the fight really is our blog there he is wrong there is the icing on the cake there
13:52
it's the easiest thing the real struggle is the weight cut man the weight cut my
13:57
friend I'll send you a photo you can see my weight cut you can see how you put it there I ask 75 kg to beat my
14:05
half a guy on the day of the weigh-in is scraped it's like 30 days my friend like that
14:11
in the race, hunger is hunger, man, it's a
14:16
war bro it's a restricted diet like that if the guy doesn't have a good psychological
14:21
bro you can't take it you give up just what happens weight I take I take
14:27
on the bright side, bro, you value the little things, you value the simple plate of food, you value the simple things
14:34
glass of ice water in the glass of juice the guy you get more gives more value to
14:39
life when you go through the process of cutting weight in that process you are good man I like it it is painful but you
14:46
you see the bright side of life by simply resting
14:51
that already in the final stretch of time you are with your body nailed. In fact, he can't do it with weight oil
14:58
but it's good bro but it's good many athletes there have weak minds I can't
15:04
right because it requires a lot of human beings, it requires a lot of weight, it's a real struggle, it's a real struggle, it really exists
15:11
a psychological preparation for this Or is it some professional helping you or is it
15:17
fighter's war itself and it has to be logical there are psychologists
15:23
It's not about sports, there's a nutritionist, there's everything, but in my case I never needed it.
15:29
of nutritionist I have my diet ready window I never needed it like this
15:35
money for them to make me what to eat not that I already know myself my purchase if I can eat what I can't and my
15:42
psychological here bro it's easy my life has already formed I the psychological
15:47
Good thing little God you're killing a lion a day so it's cool and injuries man a lot of injuries

15:54
bro I have a back injury that directly affects me, it's a muscle extension
16:01
in the very lonbali and my brother she attacked me gave me in my Camp and I only in the medicine
16:08
just on the medicine there are not 3 days left until the fight. Even though I had to cut the
16:14
medicine then cut a medicine on the day On Saturday when I woke up like that I already had
16:19
heavy and quote the back the Brake poem week on the back then I took some medicine there
16:25
I got better and it's okay, but the injury is an injury, man, every athlete has
4:30 PM
I was going to ask, say that every athlete is never like this if they had
16:37
one hundred is because you are not training you are not training if you always have you arrive I arrive at the similar one in the morning I 2
16:44
hours I arrive each girl some guys we take Rolim to pass on the back another take to pass on the hand let's go
16:51
those massagers massage on the leg, I arrive and I start to freeze what I have on my back and I go on
16:57
a window roller there I live for the guys I'm going to paste injury on the arm but on the shoulder I say wow man everyone
17:03
escaped the injury does is to our body we take the body how do I do
17:10
work we are the body do not take in the register in the strehl there comes sometimes not
17:15
Right, rib, another thing I want to ask you is that the guys want to know about the robot, you're there doing your preparation
17:23
and such, but that's when you're going to prepare yourself. You already know who yours is.
5:30 PM
next opponent For example, now you already know what your next fight is, so without knowing, like, when
17:37
we close the event, Mack, the event's mind, sends the opponent to you, right?
17:43
for you to know and such there You sign the contract already if you don't know that the break is there you will study Dude
17:49
That's what I like to see, I only see it for the first week, man, for the first week I'm thinking about the guy
17:56

so damn how can you stay like that but then you leave because you lose your fear in this church is good
18:02
crazy I understand but the guys in the corner there they really study the wife why
18:10
because imagine you prepare to fight a guy who is more of a ground fighter, it's different from a striker, but even that's what you have
18:19
Yes, there is no way and when I received the scar, it's almost my contract, I arrived at the gym and I
18:27
I know if you were already watching the video of the heroes' fight you'll have to do it like this with this guy because that's the way it is
18:32
on the other hand, that's fine, I finished Manara Machida, the way the guy did web, I arrived at cmm, the same thing, another
18:39
nap there boy who will have to take this guy pull because he is a router is coughing will trace everything
18:44
increase right to see if the guy and it was always you take advantage of it but you come here to fight there I called me
18:51
I said I warned you at your house you stay like this for me local bye on the channel and I'm going to finish that's what happened I call I cheated on him he
18:57
came came came came come you want to block me I wanted to put it at a distance
19:03
when he marked that I took his back signal for legal is And you already
19:08
You know who your next opponent is, so man, I want to vote in October. I still don't know why I would fight.
19:16
August 19th there in Salto Dakota and there I am Hi we finished
19:23
I'm changing my visa and I can't train to focus, right? There's no need to worry. It's an addiction now, so there.
7:30 PM
I'm working on that adaptation, so I'm going to ask to leave in October, so I'll finish this month, now I'll finish Vista
19:36
then I asked for myself for October or would have 14 in how many pure
19:42
the guy is usually the guy who does three or four fights easily but there are guys there
19:47
that we are going to plant that embarrassed even five six already had a house and to do nine fights in the year in but that
19:55

took advantage of the because suddenly the guy is a little unprepared or not depending on the
8:00 PM
person of the moment is like, I can't handle doing a fighting stand, right? Because of my weight cut, I cut a lot of weight. Wake up, 13kg, 14kg there.
20:09
As for me, I'll take care of my health, right? But I have four fights, I'll do it calmly, calmly, calmly. If not
20:16
have an injury. Of course, if you talk about this, you have that too, and organizations are charged to feel it.
20:25
Wow, you're only fighting a little, you're fighting a lot, you have to fight more, no no no
20:31
like this we ask ourselves to you are you ready are you ready are you going to
20:36
if you don't have an injury, if you have a problem, I'm ready next month because if you do,
20:43
have a fight and there was a lot of beating if you select a lot then the commission will give you a three four five hook
20:49
six months or if you are going to mark the chiado She gives you a little commission there in you that was knocked out is six months
20:55
he's there you can't fight until you win six months that's kind of like
21:03
which in the rule is that even more so here in the United States, man, this charges a lot, this is very, very bad for you to do
21:09
a fight here where you go through several doctors athletic commission Wow, there's a lot of things, a lot of things
21:15
only frees you nothing you always have the center even longing otherwise it does not free say man like that what you see that what
21:23
Do you think it has changed like that, apart from this issue of you saying that you already told
21:28
that's where the professionalism and respect they have
21:34
that they have for the fighters there but what else do you think has changed like this?
21:39
from Brazil and not to the United States and I think that the appreciation as an athlete
21:46
and here in the United States, man, the value that the athlete has here is outside of
21:52
common is if there is no one in Arizona I arrived at the airport there are people I knew already here diamond I'm going on the street there are people
21:58

that I run away from them, the Brazilian people are so fanatical, I said I would
22:04
to see expensive I thought the Brazilian people liked me my mother not American is dead in love with
22:10
even you see in the gym there was the 80 year old lady comes from 100 years old 90 years old comes in a wheelchair paying the
22:17
ticket to be able to fight there to be able to come back to be able to watch the fight and he becomes together with you They like
22:23
even he already brought this from the Box itself that
22:28
It was also much more valued here in Brazil, we don't have many fighters, right Popó Maguila? But she's still not much, right?
22:36
in relation to the Americans they like this issue of fighting much more and they like
22:41
kind of fight, right? Those who are passionate about banks and socks like it, and not all the
22:47
races like to write with the guys they This is not out of the ordinary people they
22:52
Everyone likes it here, man, everyone, to start here at school you are already obliged to make an arrangement masselko
22:59
know that they always start doing this at school and then the children come right away
23:04
liking it since she was young, if she didn't pursue it as a career, but at least she got the taste for watching it as an escort.
23:11
have an idea of what it is you don't understand she has already experienced something that is cool here in Brazil the sport still doesn't
23:18
It's so stimulating, like you said, that the guy who wants to be an athlete in any sport has to sweat a lot.
23:25
The only sport that we value so much in Brazil is football.
23:30
older like this the guys until they get there is rare even there is still a little bit of
23:37
prejudice in Brazil Natura in mine sometimes in the cinema is the guy you said she doesn't have it like you don't
23:42
work like they are not one and go can go work man there is no future man
23:49
Go do something, get a job at the college, we don't have the values here yet, if you're honest, it's a normal struggle there
23:56

the guys are like Wow, it's like you don't want to take a picture, you want to know more about you, congratulations
24:03
life if I said just you say that you do everything here bro have you seen you chicken is Brazil you say that I've been here for six
24:10
months and you're already speaking good English, so no, you don't speak the empire, some that I speak to myself in the same year is one I stopped
24:18
to study but I went back to studying again I was waiting for you but I believe that by the end of the year I will get it sorted out. Vale
24:24
there are some things that say every day to me to say to train to give a
24:29
and even nothing to go there to give that powder because like that But going back to know and the
24:36
What do you miss most about Brazil? Your friends, your wife's family
24:42
my daughter, right? Everyone is here. They were at my father's. I'm not here yet.
24:47
about the food, man, I'm going to talk to you, my friend, there is no tastier food than
24:52
that ours doesn't have doesn't have is what I miss most than the family of
24:59
friends and food Brazilian food has no comparison that it is
25:06
Here people like Solange only eat snacks, here it's McDonald's for everything
25:11
She's a burger everywhere here, man, that's all it is, just like American, I'll tell you American, now we have to take it
25:18
breakfast, lunch, afternoon tea, already American He has breakfast, he
25:25
there is no time to eat his snack no he come on he is there 2:00 3:00 him and what is the time that can but you you
25:33
was stopped Because there must be a lot of Brazilians, right? Not that many, man.
25:38
I live here at Black House, and I live in the gym with a Brazilian, a Cuban and an American, right? It's at the gym that I train.
25:45
there are only 2 Brazilians to take in the middle of the Americans, it's so
25:51
quickly English will come can you unroll the bar alone people unroll it okay cool cool and
25:58
I don't know if I asked you if you already have an opponent for the next fight
26:03

No, I don't have it yet. I asked for the month of mate to be put in October, right?
26:10
then you said it is sometimes how long in advance more or less
26:15
Maria, if we're going, they're closing the car from now on, right, to 40 days, which is the 40th of the last one?
26:21
40 days 45 days the last fight I signed with 30 days left and then
26:26
war, right, it starts right? This is the war, but now I'm already putting my weight in the middle below.
26:33
I started now so I don't suffer so much, right? I'm holding on to the fridge, I had it for when it arrives, or I found it in the struggle.
26:41
It's already calm, I'll be very worried about weight issues, worrying more about training in terms of
26:46
Training also do you think that you both there as you said equipment
26:52
personal tip tip Do you think that arriving there has changed anything for
26:58
you've already arrived, he finally evolved a lot, man, I said a lot of gym, counting the thirty there is mine
27:06
style no she is quite big and my favorite was he retired now she is not Pain In my bantamweight category So
27:13
For me it was really good to arrive at the gym, the coach was from the same category as him, even more so
27:19
I like my style, I like it, I've evolved a lot, even here, just buying, Brazil is also good and great
27:25
New Year people there it is very high level there too but it is good right?
27:31
you get a little difference from what you took from Brazil, one experience is already acquiring another, I think that all this
27:38
The world says that the more versatile the fighter is, the more chances he has of winning
27:44
right, even today it's complicated, man, a few years ago you only entered with
27:50
a form of boxing jiu-jitsu Muay Thai or kickboxing nowadays my brother the guys are coming with everything man
27:56
all areas man so good so you have to bro you have to train everything everything there besides training everything you have
28:03

to do physical preparation you have to take a supplement is the level celebrate is already going to make a difference
28:11
in the same in the same detail in the minimum of the supplement to the small training
28:16
football is almost bursting here, our interview has some
28:22
little things here that we have to follow here in the program routine which are the
28:28
quick questions here, here is a short game that we call and also goes
28:33
The Megaphone moment comes, which is the last moment of the program. But let's enjoy this moment, good people. By Rafael
28:39
mulisha Rafael do Nascimento Muniz Rafael Muniz that's why it's the name of a fighter, right? It's that nickname that everyone
28:47
every fighter has someone who wants to say pretty has something to do with it there is a
28:53
When I was young I was passionate about metal mulisha
28:58
Okay, I tattooed it on my back, some guys were very into sports, right?
29:04
in the freestyle of the best there at the VMA there was the link dia soneide dias o
29:10
Michel redder Enzo omelettes Dominick Cruz the guys was Manu was
29:17
I'm a big fan, my back was hurting these days, I even partnered with the brand. I've already arrived here and met the Metal guys.
29:24
mulisha I arrived with this Melendez there at the event that I noticed when he saw that I had a tattoo on my back for the
29:30
man went crazy bro see my dad I was the family and became mine in that see the guy for him
29:36
the magician is the guy you are a fan of becoming Your Fan was also given not that one saw in
29:42
screen narration he said he saw he saw in the tattoos puts that I spoke to the
29:48
that I expected from them, right, when I was a kid, they retired and were already expecting me from them to be better and
29:55
Well, if anyone wants to support Rafael, find out more about his work, we'll leave it in the description.
30:02
video here we social to give that strength talk we are together because you
30:07

get it right, it's only useful for us, it'll all be there in the description, whoever wants to find you on Instagram, which is always good
30:12
that Brazilian current there to come back we are we are in a in a
30:18
in a comeback because there was a time when MMA was being dominated by
30:24
Brazilians there, we had Aunt Cigano Zé Aldo and we dominated our parents
30:34
a time Brazil dominates And then these guys always have a renewal coming
30:41
We are starting a new crop of Brazilian winners, that's it for me
30:46
but the Vila safra fan died Man, I think we're going to dominate MMA again UFC see where we're going to dominate we have to 35
30:55
awd 35 years in Brazil already 45 degrees in Brazil Charles do bronx's - Figueiredo and
31:00
Amanda Nunes with 245 grams Amanda Amanda Fantastic of the block is also and
31:05
we're going there, we're going to hear Rafael Muniz there in a little while and also straight will arrive from the other side we are
31:12
I smell something and I'm already asking if I'm going already Rafael So let's go now
31:18
for those chatty questions, just our short ones, favorite team Corinthians
31:24
food is rice, beans and steak, Ball, drink
31:29
it's juice natural juice super music
31:36
my rock is the book the book
31:42
Get Rich or Die Trying I liked the movie Breaking the Rules
31:50
I thought a place is a place America is me idol the idol
32:01
the guy has several my idol idol Weber Almeida then ordered us to fulfill the
32:08
short ones now there is an Extra question that came up recently which is from a program that we did I'm
32:13
We made a reply among ourselves, the channel's people, and now I'm doing it
32:19
with the interviewees if you had a chance to go back in time and give a
32:25
advice to yourself what would you do good good good if I came back in the
32:31

time with her had want not speak the lady go in search of your dream no matter where you were born that you will
32:37
achieve, go after a dream and you will achieve it. I gave this advice to myself not to listen to others, I liked it and
32:44
Now we're going to finish for the Megaphone moment as this Megaphone is what you now have the word You
32:52
you can sing, insult politicians, make propaganda, you do whatever you want, what you give as a message to the people who are there
32:58
listening to us here now Hey guys, the market six there for you never gave up on your dream man because
33:05
I already had everything to give up on myself, I didn't give up, I'm already doing it, man
33:10
My dream Little by little it doesn't matter what dream you have if you have focus
33:16
determination to run after you will achieve in your journey you will meet many people and they will say no
33:23
I'll tell you that you can't do it, but when you get there, they'll be the first to test you, so don't
33:29
I always give up, keep going, your time will come, but the day doesn't matter, your time will come
33:34
the cool dregs Rafael Rafael and to thank you
33:40
participation is I'm going to stay here cheering I'll follow I'm already seeing you
33:45
carrying a belt there okay beloved sister is our sister my sister no let's go
33:51

33:58
Strength to him, he is representing Brazil. You saw that he came from the interior of Mato Grosso in the place where
34:04
There was no gym to make the dream come true, he's running after it and he's going to bring this belt and leave it to us Rafael says
34:11
Bye everyone and thank you very much, thank you very much, everyone, we're together, let's take Brazil's name there
34:16

OFFICE OF THE HEAD INSTRUCTOR
2729 Manhattan Beach Blvd, Redondo Beach, CA 90278
+1 310-536-9030 | www.inspiritjiujitsu.com/

To the United States Citizenship and Immigration Services (USCIS)

SUBJECT: LETTER OF RECOMMENDATION FOR RAFAEL "MULISHA" DO NASCIMENTO

To the Honorable Immigration Officer,

My name is Rodrigo Freitas, and I am the Founder and Head Instructor of Inspirit Jiu Jitsu Academy in Redondo Beach, California. I am a Brazilian Jiu-Jitsu World Champion (IBJJF, 2014) and a 4th Degree Black Belt, with more than twenty years dedicated to high level competition, instruction, and athlete development in Brazil and the United States.

My role as a head instructor places me in daily contact with athletes at every stage of development. Over the course of my career, I have coached hundreds of competitors and have been directly responsible for preparing professional fighters for national and international events. This background allows me to evaluate an athlete not only by results, but by technical structure, decision making, and the potential for their methods to be integrated into elite-level training.

From this technical perspective, Rafael "Mulisha" do Nascimento stands apart from the vast majority of professional fighters. His grappling is not based on strength or athleticism alone, but on layered systems, precise timing, and advanced positional awareness. He consistently demonstrates the ability to identify high risk, low percentage situations and convert them into controlled finishing sequences, a technical proficiency that is noteworthy in professional MMA.

In my professional assessment, Mr. Nascimento has developed a methodology that represents a significant technical refinement within the sport: the systematization of the calf slicer submission for MMA. While the calf slicer is a known technique in traditional Jiu-Jitsu, its successful application in professional MMA is statistically rare due to the difficulty of maintaining control while accounting for strikes and dynamic movement.

Mr. Nascimento's work appears to go beyond mere execution; he has articulated a specific framework for this technique, including defined entries, control points, and transition pathways adapted for the MMA environment. By establishing a logical sequence of adjustments and timing, he has contributed to making a complex and infrequent technique more applicable and teachable within a high-performance context. This type of technical development is highly valued as it provides a roadmap for other athletes to follow.

A verifiable indicator of Mr. Nascimento's technical effectiveness is his 73% submission finishing rate in professional bouts. While finishing rates often fluctuate as the

level of opposition increases, Mr. Nascimento has maintained a high level of efficiency. A prominent example of this was his calf slicer victory at LFA 199 (January 2025). This performance serves as objective evidence of the viability of his technical system, as he is one of the very few athletes in the documented history of the sport to have successfully implemented this specific technique in a major professional organization.

Outside of competition, Mr. Nascimento exhibits the characteristics of a top-tier professional: discipline, consistency, respect for coaching structure, and a genuine commitment to technical growth. In training environments, he raises the overall standard and serves as a reference point for other athletes. Importantly, his ability to articulate and transfer complex grappling systems—such as his MMA-adapted calf slicer methodology—demonstrates value that extends beyond his own performance and contributes to the technical evolution of the sport.

Based on my experience as a world-class competitor and instructor, it is my professional opinion that Rafael do Nascimento possesses a specialized technical skill set that is uncommon in mixed martial arts. His continued work in the United States is expected to contribute to the quality and technical advancement of American training programs.

Respectfully,

01/15/26

To the USCIS Officer,

My name is Melsik Baghdasaryan, and I am a professional MMA fighter and UFC featherweight athlete. I have been competing professionally since 2013, including on some of the most competitive striking and MMA stages in the world, and have won the Wu Lin Feng International title and challenged for the K-1 Welterweight belt. Over this period, I became used to evaluating, in daily training and fight preparation, the technical level, consistency, and professionalism of other high-performance athletes.

Within these settings, I had the opportunity to train with Rafael do Nascimento several times and to observe his conduct on the mats, his development as a fighter, and the concrete impact he has on the quality of our sessions. He stands out as one of the most complete athletes I have worked with, combining solid striking and grappling skills that are essential in modern MMA.

During my UFC fight camps, when every detail can influence performance in the octagon, I frequently rely on Rafael do Nascimento as one of my main training partners. I trust his technical level, his discipline, and the intensity he brings to every session. In sparring and specific drills, he shows refined technique, with precise and powerful strikes, strong distance management, and perfect timing on offense and defense. These qualities directly raise my level of preparation, as they require constant adaptation and focus. In grappling, he delivers controlled, stable, and technically sound work that meets the standards of high-level athletes.

Beyond his day-to-day impact in training, Rafael do Nascimento has a documented record of results that places him in a very competitive position both in Brazil and in the United States. In Brazil, he built his career through recognized national promotions such as WOCS, NCE, and Jungle Fight, earning important victories and Fight of the Night honors. His win at Jungle Fight 99 in Rio de Janeiro, combined with earlier results such as his title bout at NCE 23 and his professional run starting in 2013, shows that he has been competing for years in environments known for producing high-level athletes. In parallel, he also achieved success in grappling, including a first-place finish at the NAGA Los Angeles Grappling Championship in 2022, which confirms his technical level on the ground in one of North America's most competitive grappling circuits.

Internationally, Rafael has established himself as a prominent athlete in Legacy Fighting Alliance (LFA), one of the world's leading MMA organizations and a recognized gateway to the UFC. Since signing with LFA in 2022, he has had multiple main card and main event appearances, with notable wins over Marcus McGhee, Justin Wetzell, Jordan Winski, Brandon Altomare, and Arnold Jimenez. These performances led to important recognition, including five LFA award nominations in 2023 for Fighter of the Year, Submission of the Year, Fight of the Year, Knockout of the Year, and Best Photo of the Year, as well as a new Submission of the Year nomination in 2025 after his rare calf slicer finish, a technique that has only been successfully used to end a professional MMA bout by him and UFC champion Charles “Do Bronx” Oliveira. In current professional rankings, he is ranked among the top featherweights in North America and California, reflecting his position at the top of an intense, competitive field.

November 27, 2025

For these reasons, Rafael do Nascimento truly helps elevate the technical level and intensity of the MMA training environment in which he is part. His presence adds real value, as he consistently offers high-quality sparring, a professional mindset, and discipline aligned with international competition standards. Based on this direct experience, I am confident in his ability to continue distinguishing himself and to generate a positive impact in mixed martial arts in the United States.

I strongly support this application and will provide additional information if necessary.

Sincerely,

Melsik "The Gun" Baghdasaryan

To: USCIS
From: Joshua Lawrence Barnett
RE: Letter of Support for Rafael “Mulisha” do Nascimento

To Whom It May Concern,

My name is Joshua Lawrence Barnett, known internationally as Josh “The Warmaster” Barnett**,** and I am writing this letter to provide my strongest endorsement regarding the professional standing of Rafael “Mulisha” do Nascimento. As a former UFC Heavyweight Champion (2002), PRIDE Grand Prix Champion (2006), and a veteran of elite international mixed martial arts (MMA) for over 25 years (1997–Present), I have spent my life at the pinnacle of this sport. My career, which includes a professional record of 35 wins and 8 losses, has been defined by competing against and training with the world’s most elite athletes. This extensive experience provides me with a specialized and authoritative vantage point to identify talent that is truly "extraordinary" and of a caliber that significantly impacts the professional athletic landscape.

In my professional opinion, Rafael do Nascimento is an athlete of exceptional caliber who has reached the top of his field.

Mr. Nascimento’s standing in the sport is not merely a matter of opinion; it is backed by rigorous data and rankings. He currently holds elite professional rankings, including being ranked #8 among all Featherweights in California and #25 in North America—a region that contains the highest density of world-class MMA talent on the planet. To be ranked in the top 1% of nearly 1,000 professional fighters in North America is a clear indicator of sustained national and international acclaim. What distinguishes Mr. Nascimento from his peers is his technical mastery and innovation.

In January 2025, Mr. Nascimento executed a calf slicer submission at LFA 199. To provide context for the importance of this feat: Mr. Nascimento is only the second athlete in the history of professional MMA to finish a bout with this specific technique, following only the legendary UFC Champion Charles Oliveira.

This is a contribution of major significance to the sport. It demonstrates a level of technical sophistication that is virtually unparalleled. His subsequent nominations for LFA Fighter of the Year and Submission of the Year further validate that his peers and the industry’s leading organizations recognize him as a leading figure in the sport.

Mr. Nascimento is a cornerstone athlete for the Legacy Fighting Alliance (LFA), which is widely regarded as the premier "feeder" organization to the UFC. His participation in multiple Main Events and Co-Main Events—including a high-stakes bout for the LFA Bantamweight Championship—proves that he is sought after by the most distinguished organizations to headline their most important productions. His presence on these platforms, broadcast globally on UFC Fight Pass, brings significant prestige to the American MMA circuit.

Beyond his competitive record, Mr. Nascimento's presence in the U.S. is a benefit to our athletic culture. As a dual Black Belt in both Kickboxing and Brazilian Jiu-Jitsu, he possesses a rare "hybrid" expertise. He is currently an integral part of the high-performance ecosystem in Los Angeles, where he trains alongside UFC veterans and helps elevate the standard of American martial arts through his technical contributions and mentorship.

Throughout my career, I have witnessed only a small number of athletes who consistently operate at this elite standard. The continuation of Mr. Nascimento's professional career in the United States serves an important role within elite American MMA competition. His presence contributes directly to maintaining the level of international competitiveness expected of U.S.-based promotions and athletes. Fighters of his caliber are essential reference points in high-level professional ecosystems, where excellence is defined by proven performance under global scrutiny.

Should you require any additional information regarding Mr. Nascimento's technical standing or his impact on the sport, please do not hesitate to contact me.

Sincerely,

Joshua Lawrence Barnett

December 2, 2025

To Whom It May Concern,

My name is Chad "Savage" George, and I am the head coach and owner of California Mixed Martial Arts (CMMA), located in Gardena, California. I am a former professional MMA fighter and have built my career around high-level competition and the technical and physical development of elite athletes. In this role, I work directly with Rafael Mulisha and personally supervise his training and day-to-day performance on the mats and in our team environment.

I first met Rafael Mulisha in March 2022, when he came to Los Angeles and joined CMMA to train with our coaching staff. From the very beginning, it was clear that Mr. Mulisha stood out among the athletes who arrived at our gym. He is an aggressive yet highly disciplined competitor who brings a world-class jiu-jitsu skill set combined with exceptional kickboxing and karate abilities. This blend of grappling and striking makes Mr. Mulisha an extraordinarily versatile and formidable fighter in every range of combat, and this versatility translates directly into his results in competition.

Over time, I have been coaching Mr. Mulisha, and he has established himself as one of the best athletes I currently train. In our sessions, he consistently shows a champion's mindset, highly focused, and fully committed to improving specific technical details in every practice. His grappling is very efficient, his striking is accurate, and his experience across different martial arts styles allows him to make wise tactical decisions under pressure. Together, we have already secured several victories, which confirm in actual competition what I see from him every day at our center: extraordinary skills, outstanding conditioning, and true competitive maturity.

Based on my own experience as a former professional MMA fighter and the head coach of CMMA, I am confident in stating that Mr. Mulisha is among the best fighters in the world. His contribution to MMA is exemplary, not only through his technical skill but also through his professional approach to training, preparation, and competition. Mr. Mulisha is fully prepared to pursue international recognition, compete in high-level events, and participate in serious career development programs in the United States.

I strongly support this application and will provide additional information if necessary.

Sincerely,

Chad "Savage" George

To the United States Immigration Officer,

My name is Chinzo Machida and I am the owner of Machida Academy, a martial arts center located in Lomita, California, founded by Lyoto Machida, which offers professional MMA training based on Karate, as well as self-defense programs and athlete development programs. I was a professional MMA fighter and, throughout my career, I had the privilege of training elite athletes, including Lyoto himself, who is also my brother, with whom I won a UFC title. In this role, I have closely followed Rafael Mulisha's work and development through our joint training sessions and preparations..

I met Rafael Mulisha in March 2022, when he came to Los Angeles and began training with us at the academy. Since then, Mr. Mulisha and I have trained regularly at our Lomita facility, combining technical training sessions, full fight camps, and demanding sparring and grappling routines. By being directly on the mat with him during these activities, I have a clear and practical view of his skills, mindset, and professional conduct in a high-performance environment.

From the outset, it was evident that Mr. Mulisha is an athlete of an extremely high technical level, disciplined and competitive, with a set of professional qualities that I associate with the best fighters in the world. He stands out as an elite striker, with precise kickboxing techniques that he applies with control and intent during training. The fact that he already holds a black belt in kickboxing demonstrates not only his technical mastery, but also his long-term dedication and commitment to the sport.

Beyond his performance on the mat, Mr. Mulisha stands out for his character, work ethic, and team spirit. He is always willing to help other athletes in their preparations, whether by sharing his technical knowledge, actively participating in their training camps, or providing the level of training intensity that high-level development requires. As a result, his presence directly raises the standard of everyone at the academy. This combination of professionalism and leadership makes him not only a strong competitor, but also a positive role model within our training environment.

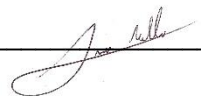

After many years of experience training world champion athletes, I can state with confidence that Mr. Mulisha is positioned at the top of his career. His significant achievements, talent, discipline, and work ethic place him among elite athletes with international recognition. It is a privilege for me to train Mr. Mulisha and to follow his successful trajectory in the martial arts, and I am confident that he will continue to contribute immensely to the sport in the United States.

Thank you for your time and attention to this letter, and I remain available to provide additional information if necessary.
Sincerely,

November 27, 2025

To USCIS,

My name is Victor Westley Henry, and I am a professional MMA athlete and UFC fighter, competing in the bantamweight division, known for having athletes who combine speed, cardio, and technical precision, resulting in fast-paced, highly skilled fights. I have a consolidated an international career and long-standing experience in high-performance centers and in training world-class fighters. In this capacity, I provide my statement regarding the work of Rafael “Mulisha” do Nascimento, based directly on our time together and the training did in professional settings.

Rafael arrived in Los Angeles to join the CMMA (California Mixed Martial Arts) team in Gardena, California in 2022. From the moment he joined the team, we began training together on a regular basis, in a routine that includes structured technical sessions, fight-preparation camps, and intense grappling and sparring focused on high-level competitive performance. This direct interaction in a professional setting has allowed me to closely observe his technical level, his attitude, and the consistency of his performance.

Rafael is an athlete of extraordinary high technical level, disciplined, competitive, and with a professional mindset that matches the standard of the best fighters I have worked with. In the specific area of grappling, I can state, based on my own high-level experience, that he is among the best training partners I have had. His jiu-jitsu is sharp, efficient, and strategic, which translates into precise decision-making under pressure, solid positional control, and the ability to neutralize opponents with very different styles. He masters complex positions, executes fast transitions in dynamic training scenarios, and has a repertoire of rare submissions that requires refined technical knowledge and an advanced understanding of fighting.

This combination of advanced technical repertoire, practical application in high-level training, and consistency in performance makes Rafael a valuable training partner in any professional camp. Throughout our time together at CMMA, he has directly assisted me in several fight preparation camps, taking an active role in grappling and sparring sessions that simulate real fight situations. In these contexts, the presence of an athlete like Rafael has a great impact on the quality of training, helping to raise the overall technical standard and improve the competitive readiness of the fighters involved.

Among his most impressive career achievements are a national silver medal at the Brazilian Kickboxing Championship and multiple professional victories in premier Brazilian MMA events such as Jungle Fight, where he earned “Fight of the Night” honors. His career includes high-level training with world-renowned athletes such as UFC veterans Erick Silva, the Nogueira brothers, Ronaldo “Jacaré,” and Walid Smail, and participation in major national events including WOCS 53 and NCE 23.

In 2022, he advanced to one of the most competitive stages of global MMA when he was contracted by Legacy Fighting Alliance (LFA), a leading U.S. organization widely recognized as a gateway to the UFC. Within the LFA, he has already completed six professional bouts, securing four victories and earning multiple nominations for Fighter of the Year, Submission of the Year, Knockout of the Year, and Fight of the Year.

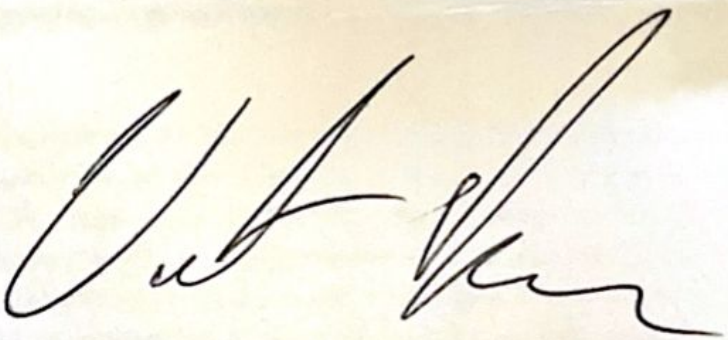

Recently, Rafael achieved a rare and distinguished milestone: he became only the second athlete in MMA history to successfully apply a highly uncommon submission technique previously executed at the UFC level by Charles "Do Bronx," further demonstrating his technical innovation and mastery. That same year, he earned his black belt in Brazilian Jiu-Jitsu, marking a significant achievement in grappling excellence.

He now trains and competes in Los Angeles, California, as part of the CMMA team and the Machida Academy, working daily alongside world-class athletes such as Josh Barnett, Chad George, and Chinzo Machida.

Based on his competitive record, technical accomplishments, elite training pedigree, and sustained success in internationally recognized organizations, I firmly establish Rafael "Mulisha" do Nascimento as an extraordinary athlete whose career trajectory places him among the leading talents in professional mixed martial arts in the world and positioned to continue contribuiting meaningful to the new generation of martial arts athletes in the United States.

Sincerely,

Victor Westley Henry
UFC professional fighter, bantamweight division
Coach and athlete at CMMA, Gardena, California

To whom it may concern,

My name is Weberson Almeida da Conceição, and I work as a professional martial arts fighter, a Pan-American kickboxing champion sanctioned by WAKO. I am currently an athlete with Karate Combat and train at Machida Academy in Lomita, California. I am also the author of the book Benie's Adventure Around The World, in which I share part of my journey in the world of combat sports. I am writing this letter to present my direct testimony regarding the work and career of Rafael do Nascimento, with whom I maintain a close and ongoing professional relationship in the mixed martial arts scene.

I met Rafael do Nascimento in 2014 during regional MMA events in the state of Mato Grosso, Brazil, when we were still competing on the local circuit and seeking to build our professional careers. From that early period, by closely following his fights and training, it became clear to me that he possessed a rare combination of technical talent, discipline, and competitive ambition.

It is noteworthy that in September 2014, the III TFC Championship – The Fighting Championship took place, an event that featured preliminary fights in kickboxing, Muay Thai, and MMA, culminating in a main MMA fight. Rafael was featured on the official promotional poster and competed in the main event that night, winning the event's MMA title by defeating Maciel Souza via submission. Although TFC is a regional show, the fact that it has a professional structure, a card featuring multiple disciplines, and a championship belt at stake makes this title especially relevant to the trajectory of a rising athlete. Winning a main event fight for a championship belt by submission, under this level of exposure, demonstrates that even at that stage of his career, Rafael was already capable of delivering championship-level performances under pressure, within an organized setting and with the responsibility of attracting an audience and representing the event.

In 2017, we made an important decision together for our careers and moved to Rio de Janeiro with the goal of dedicating ourselves fully to high-performance training and the pursuit of significant results in professional MMA. Throughout that period, Rafael competed in several professional fights, consistently maintaining a high level of performance, and I was by his side, assisting with his training camps, both in the daily training routine and in the specific strategy for each fight.

In 2019, when I signed a contract with Bellator MMA and moved to the United States, our professional relationship took on a new dimension. Even at different stages of our careers, Rafael remained present as an important part of my training structure. In 2022, he came to the United States to directly join one of my Bellator training camps, demonstrating through actions his loyalty, commitment, and professionalism. During this preparation, he acted not only as a training partner but also as someone I trusted to simulate real fight situations, test tactical adjustments, and contribute his technical insight. This level of involvement demonstrates that Rafael is not only a strong athlete, but also a professional capable of adding direct value to the routine of an internationally high-level fighter.

From a technical standpoint, Rafael do Nascimento is one of the most well-rounded athletes I have ever trained with. His grappling is of the highest level, which is reflected in his positional control, rapid transitions, and ability to neutralize opponents in a variety of situations.

His striking is technical and refined, with strong distance management and precision in his strikes. In addition, he possesses unique submission techniques, some of which are rarely seen in MMA, making his game particularly dangerous and unpredictable. Over the years, he has been not only my training partner, but also my coach and cornerman in important fights, contributing to strategy development, opponent analysis, and real-time adjustments during fights. This combination of applied technical knowledge, practical experience, and the ability to guide another athlete in high-level competitions is a clear indicator of Rafael's professional maturity in the sport.

Based on everything I have witnessed throughout this journey, I consider Rafael to be the best bantamweight fighter, in the 61 kg division, with whom I have ever trained. His daily discipline, constant dedication, and technical excellence place Rafael at a standout level among elite athletes. In a competitive environment such as mixed martial arts, where the difference between winning and losing lies in the details of preparation, focus, and quality of execution, the presence of a professional with Rafael's profile is a true differentiator. In addition, the fact that he has repeatedly served as my cornerman and coach at decisive moments in my career illustrates the level of trust I place in his technical ability and ethical work.

On a personal level, Rafael do Nascimento is someone of solid character, truly humble, and with deep respect for teammates, coaches, and opponents. These qualities, combined with a high level of athletic performance, are, in my view, what define a true champion. Over the years in which we have worked together professionally, I have seen Rafael maintain the same serious and responsible conduct, regardless of the setting, whether at regional events in Brazil or during more advanced stages of our careers abroad.

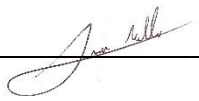

In light of this solid record of collaboration, results, and professionalism, I consider Rafael do Nascimento to be a world-class professional athlete, fully deserving of recognition at the highest international level. I reiterate my support and remain available for any further clarification.

Sincerely,

A quem interessar possa,

Meu nome é Weberson Almeida da Conceição e atuo como lutador profissional de artes marciais, campeão pan-americano de kickboxing pela WAKO. Atualmente sou atleta do Karate Combat e treino na Machida Academy, em Lomita, Califórnia. Também sou autor do livro As Aventuras de Benie, no qual compartilho parte da minha trajetória no mundo das lutas. Escrevo esta carta para apresentar meu testemunho direto sobre o trabalho e a carreira de Rafael do Nascimento, com quem mantenho uma relação profissional próxima e contínua no cenário das artes marciais mistas.

Conheci Rafael do Nascimento em 2014, durante eventos regionais de MMA no estado de Mato Grosso, no Brasil, quando ainda atuávamos no circuito local e buscávamos construir nossas carreiras profissionais. Desde aquele período inicial, acompanhando suas lutas e treinos de perto, ficou claro para mim que ele tinha uma combinação rara de talento técnico, disciplina e ambição esportiva.

É notável que em setembro de 2014, ocorreu o III Campeonato de Lutas TFC – The Fighting Championship, evento que reuniu lutas preliminares de kickboxing, muay thai e MMA, culminando em uma luta principal de MMA. Rafael foi destaque no pôster oficial de divulgação e atuou exatamente na luta principal dessa noite, conquistando o cinturão de MMA do evento ao derrotar Maciel Souza por finalização. Embora o TFC seja um show regional, o fato de ter uma estrutura profissional, card com múltiplas modalidades e cinturão em disputa torna esse título especialmente relevante para a trajetória de um atleta em ascensão. Vencer uma luta principal valendo cinturão, por meio de finalização, sob esse tipo de exposição, demonstra que já naquela fase da carreira Rafael conseguia entregar performance de campeão sob pressão, em cenário organizado e com responsabilidade de atrair público e representar o evento.

Em 2017, tomamos juntos uma decisão importante para nossas carreiras e nos mudamos para o Rio de Janeiro com o objetivo de nos dedicarmos integralmente aos treinamentos de alto rendimento e à busca de resultados expressivos no MMA profissional. Ao longo desse período, Rafael realizou diversas lutas profissionais, sempre mantendo a consistência de desempenho, e eu estive ao lado dele, ajudando em seus camps de preparação, tanto na rotina diária de treinos quanto na estratégia específica para cada combate.

Em 2019, quando assinei contrato com o Bellator MMA e me mudei para os Estados Unidos, nossa relação profissional adquiriu uma nova dimensão. Mesmo em diferentes fases da carreira, Rafael permaneceu presente como parte importante da minha estrutura de treinamento. Em 2022, ele veio aos Estados Unidos para integrar diretamente um dos meus camps para o Bellator, mostrando com fatos a sua lealdade, comprometimento e profissionalismo. Nesta preparação, ele atuou não apenas como parceiro de treino, mas também como alguém em quem eu confiava para simular situações reais de luta, testar ajustes táticos e contribuir com seu olhar técnico. Esse envolvimento demonstra que Rafael não é apenas um atleta forte, mas também um profissional capaz de agregar valor direto à rotina de um lutador de alto nível internacional.

Do ponto de vista técnico, Rafael do Nascimento é um dos atletas mais completos com quem já treinei. Seu grappling é de altíssimo nível, o que se reflete no controle de posição, nas transições rápidas e na habilidade de neutralizar adversários em diferentes situações.

Seu striking é técnico e refinado, com boa leitura de distância e precisão nos golpes. Além disso, ele possui finalizações únicas, algumas raramente vistas no MMA, o que torna seu jogo especialmente perigoso e imprevisível. Ao longo dos anos, ele foi não apenas meu companheiro de treinos, mas também meu treinador e cornerman em lutas importantes, contribuindo para a definição de estratégia, a leitura dos oponentes e os ajustes em tempo real durante os combates. Essa combinação de conhecimento técnico aplicado, experiência prática e capacidade de orientar outro atleta em competições de alto nível é um claro indicador da maturidade profissional de Rafael no esporte.

Com base em tudo o que presenciei ao longo dessa trajetória, considero que Rafael é hoje o melhor lutador peso-galo, na categoria de 61 kg, com quem já compartilhei treinos. A disciplina diária, a dedicação constante e a excelência técnica que ele demonstra colocam Rafael em um patamar de destaque entre os atletas de elite. Em um ambiente competitivo como o das artes marciais mistas, em que a diferença entre vencer e perder está nos detalhes de preparação, foco e qualidade de execução, a presença de um profissional com o perfil de Rafael é um diferencial real. Além disso, o fato de ele ter atuado repetidamente como meu cornerman e treinador em momentos decisivos de minha carreira ilustra o grau de confiança que deposito em sua capacidade técnica e em seu trabalho ético.

No aspecto pessoal, Rafael do Nascimento é alguém de caráter sólido, humildade verdadeira e profundo respeito pelos colegas, treinadores e adversários. Essas qualidades, aliadas ao alto nível de desempenho esportivo, são, na minha visão, o que define um verdadeiro campeão. Ao longo dos anos em que convivemos profissionalmente, vi Rafael manter a mesma conduta séria e responsável, independentemente do cenário, seja em eventos regionais no Brasil, seja em fases mais avançadas de nossas carreiras no exterior.

Diante desse histórico concreto de colaboração, resultados e profissionalismo, considero Rafael do Nascimento um atleta profissional de classe mundial, plenamente merecedor de reconhecimento no mais alto nível internacional. Reitero meu apoio e permaneço à disposição para esclarecimentos.

BELLATOR

Christian Stein

USA TODAY Sports

Jan. 26, 2019, 1:00 p.m. ET

A newcomer makes his Bellator debut tonight – and fights for the first time in more than three years.

Brazil's Weber Almeida (1-0 MMA, 0-0 BMMA) will make his promotional debut tonight at Bellator 214 against another newcomer, Odan Chinchilla (1-0 MMA, 0-0 BMMA).

Bellator 214 takes place at The Forum in Inglewood, Calif. The main card airs on Paramount and streams on DAZN following prelims on MMAjunkie.

Ahead of the card, get to know bantamweight Almeida.

Full name: Weberson Almeida da Conceicao

Nickname: People just call me "Weber" since it's easier. I'm still looking for a fighter nickname. I move similar to a gorilla. I thought about "Silverback" or something similar. Or maybe "Black Jaguar." I'm not sure yet. I'm mostly focused on fighting. I think the nickname will appear eventually. People will associate the way I move with a new cool nickname. I'm open to suggestions.

DOB: 12.01.87

Birthplace: I was born in Cuiaba, state of Mato Grosso, Brazil. Today I live in Los Angeles.

Height/Weight: 5-foot-7, 135 pounds (though Almeida missed weight for the fight)

Team: Machida Academy in Los Angeles. I also train at and represent Black House.

How did you get into professional MMA?

I decided to become a fighter due to my father. My father was my first sensei in martial arts. When I was 5, I would ask to train karate. He'd say I wasn't ready to train at an academy yet, so he started teaching me at home. Then, at age 9, I enrolled at a karate dojo and started my career. That's 21 years in this profession.

My first MMA bout took place in 2015. It was an incredible experience. I had already been winning at various karate tournaments. By that point, I had been the Brazilian karate champion on six occasions. I was also a kickboxing champion. I decided I needed new challenges. I joined the Coliseu team under master Luiz Timao. He gave me this opportunity. I trained with him for a long time before migrating to MMA. Around that time, in Brazil, Globo did a report about my life. They talked about the fact that I'm also a musician and that I worked as an apartment sales manager. I supervised a team of about 40 brokers in Cuiaba. They reported on my work life, as well as the fact that I was starting out as an MMA fighter. That's how my MMA career got started.

You have one pro bout, but there were three cancellations after that. What happened?

My first canceled bout didn't take place because I couldn't afford to travel, due to a lack or sponsorships. Then, after some time, I moved to Rio de Janeiro. And that bout was canceled because my opponent wasn't going to make weight. We agreed to fight at bantamweight and he decided he couldn't do it by fight week. Actually, my last two bouts were canceled for this reason.

How's your preparation going?

We didn't find too much information about my opponent. But my training has been very intense. I'm feeling excellent for this bout. I'm highly confident. My head coach is Chinzo Machida. He deals with all strategy and tactics. I have the same physical trainer as Lyoto Machida's. This is my U.S. debut. I'm highly motivated to put on a show. I want to show the world what I'm able to do. And I want people to see what the new generation brings.

What are your long-term goals?

My goal is for my work to be recognized, so someone can invest in me, so I can go even further.

Final thoughts?

I'm thankful to everyone who's brought me to this point. I went through a lot of things. I traveled to China. Then I lived at my friend's academy in Sao Paulo for some time. Then I trained in Rio de Janeiro. It's been a crazy life. I've been a musician, real estate sales manager, and now a professional MMA fighter. I'm starting my career in the U.S. on the right foot. All those who watch me fight will see something special. I'm off to battle!
