CONGRESS, JULY 4, 1776.

Declaration of the thirteen united States of America

When in the course of human events, it becomes necessary for one people to dissolve the political bands which have connected them with another, and to assume among the powers of the earth, the separate and equal station to which the Laws of Nature and of Nature's God entitle them; a decent respect to the opinions of mankind requires that they should declare the causes which impel them to the separation.

We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and Happiness. That to secure these rights, Governments are instituted among Men, deriving their just powers from the consent of the governed, — That whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its power on such basis, and in such form, as to them shall seem most likely to promote their Safety and Happiness. Prudence in the long run will be in favor of such measures. Now is the time, that mankind are more disposed to suffer, while they are oppressed by a form of Government, than to change it, if they are not already weary of it. And when a long train of abuses and usurpations, pursuing invariably the same Object, evinces a design to reduce them to absolute Tyranny, it is their right, it is their duty, to throw off such Government, and to institute new Government, laying its power on such basis, and in such form, as to them shall seem most likely to promote their Safety and Happiness.

Personal Statement Regarding My Relationship

The first time we spoke was through the Tinder application in Peru. I started the conversation by simply saying hello in April of 2022. Our conversation was very fluid and warm. At that time, I was in Mollendo, and she was living in Arequipa. After a week of talking, we decided to meet in person for the first time. We agreed to meet at the Plaza de Arequipa, in front of a restaurant called Mamut. After having dinner, my fiancée and I went for a long walk to get to know each other better. The area was full of people, and it was a very lively night. After about two hours, I walked her home and then returned to my hotel. The following day, we met again in the morning for breakfast. Afterwards, we went to lunch, and later that evening, before I returned to Mollendo, we went to see a movie together.

After several weeks of continued communication, I asked her to be my girlfriend, and she accepted. In July of that year, I returned to the United States for work. I worked there for three months, and in September I returned to Peru, where I stayed for six months. In March of 2023, I returned to the United States again for work and then came back to Peru in September of that same year. On December 31, 2023, my fiancée and I had our first reunion with several members of my family, including my grandmother, my aunt Diana, and my cousins. This gathering took place in Catarindo, Mollendo, near the beach, as part of a New Year's celebration.

In 2024, my girlfriend and I began living together in Arequipa. On January 29, 2024, I met her nephews for the first time in Mollendo. During this visit, we took them to a small plaza in Mollendo, where we took our first photo together. We spent the day walking around the plaza, where many children were also enjoying their time. It was a very fun day for all of us and a great opportunity for me to get to know them better. A few days later, I returned to the United States for work. While I was there, my mother and my mother's husband, Scott, traveled to Peru to visit my girlfriend on March 17, 2024. On March 20, 2024, my girlfriend and my sister met for the first time in Mollendo. My girlfriend, my mother, and my sister went to lunch at one of our favorite restaurants, called Punto Negro.

During this period, I remained in the United States for work. Due to my new job, I had to stay longer than expected. I was hired by a company called DCS, which delivers blood and urine samples from clinics to the main hospital where testing is performed. I worked there from March 3 until August 1. Once this period ended, I flew back to Arequipa to reunite with my fiancée. During this time together, we participated in many activities, including taking a tour

in Arequipa. We visited the Mirador de Yanahuara and later went to the Ruta del Sillar, where there are many sculptures and stone carvings shaped into animals. In October, we also attended a family reunion in Pedregal because a family member was moving to Spain to pursue a doctoral degree. The entire family gathered and stayed together until the next day.

On November 28, 2025, I took her to a restaurant called Ekeko Grill Peruano, located in Mall Aventura, where I asked her to marry me, and she accepted. She has been my fiancée since that day. I returned to the United States on December 10 and plan to return to Peru in April of 2026.

Our plan is for my fiancée to travel to the United States as soon as her visa is approved. We are fully committed to marrying within 90 days of her arrival, in accordance with the legal requirements. We are excited to begin our life together as a married couple and to build our future in the United States, surrounded by the love and support of our family and friends who have stood by our relationship from the very beginning.

Sincerely,

Personal declaration about my relationship

All began with an application called Tinder in April 2022. Since the first time we talked, the conversation flowed very naturally. He commented that he was visiting Mollendo with his grandmother, but that he could travel to Arequipa to meet. We met at the Plaza de Armas on a weekend; we started to talk, and he asked me to dinner at the restaurant called Mamut. We arranged to meet the following day, so I accompanied him to his hotel before heading back home. We continued talking via chat and met the next morning to have some Peruvian crispy pork sandwiches. Before we went back to Mollendo, we took the chance to go to the movies and say goodbye.

For some months, we kept meeting every weekend until he asked me to be his girlfriend. I answered yes because I wanted it so much. He explained that he had to go back to the United States due to work-related issues, but he assured me that he would come back soon because he missed me. He returned in September, and that year, we shared very special moments. We traveled to Mollendo to meet his family; I met his grandmother, his aunt Janet, and his aunt Diana, who had just come from the United States. We spent Christmas together; we celebrated his grandmother's birthday on December 30, and on the 31st, we went to a New Year's party at Catarindo beach. Those were days of sharing a lot; we also visited some of my relatives who live in Mollendo, where we had lunch and talked with my cousin and her children.

I also had the opportunity to meet Sebastian's mother and stepfather. They stayed at a hotel in Arequipa, and Sebastian's mother called me because she wanted to meet me. They told me that they would be going to Mollendo, too, and that Sebastian's sister would arrive in Peru a few days later. I traveled to Mollendo; they invited me to eat at a cevichería and I could share some time with Sebastian's mother, grandmother, and sister. Months later, my boyfriend returned from the United States in August 2025, right in time for my birthday. We celebrated it by taking a tour around Arequipa on the Sillar Route and visiting the Yanahuara Viewpoint.

A few days later, we traveled to Pedregal to attend the farewell of a cousin who was leaving for Spain.

On November 28, we got engaged in a beautiful place called Ekeko Restaurant, where he presented me with an engagement ring. Recently, he explained to me that he had to return to California on December 10 for work, but he promised me that he would return very soon. Our plan now is for me to travel to the United States to get married there, which is where we intend to live and build our life together permanently.

Declaración personal sobre mi relación

Todo empezó por una aplicación llamada Tinder en abril del año 2022. Desde la primera vez que hablamos, la conversación fluyó de manera muy natural. Él me comentó que estaba en Mollendo de visita con su abuela, pero que podía viajar a Arequipa para que nos conociéramos. Nos encontramos un fin de semana en la Plaza de Armas; nos pusimos a conversar y me invitó a cenar al restaurante Mamut. Quedamos en vernos al día siguiente, así que lo acompañé a su hotel antes de irme a mi casa. Seguimos hablando por chat y nos encontramos a la mañana siguiente para comer pan con chicharrón. Antes de que regresara a Mollendo, aprovechamos para ir a ver una película y despedirnos.

Con el paso de los meses, seguimos viéndonos todos los fines de semana hasta que me propuso ser su enamorada. Yo le dije que sí porque lo quería mucho. Él me explicó que tenía que regresar a los Estados Unidos por temas de trabajo, pero me aseguró que volvería pronto porque me extrañaba. Regresó en el mes de septiembre y ese año compartimos momentos muy especiales. Viajamos a Mollendo para conocer a su familia; conocí a su abuela, a su tía Janet y a su tía Diana, que acababa de llegar de Estados Unidos. Pasamos Navidad juntos, celebramos el cumpleaños de su abuela el 30 de diciembre y el día 31 fuimos a una fiesta de Año Nuevo en la playa Catarindo. Fueron días de compartir mucho; también visitamos a unos familiares míos que viven en Mollendo, donde almorzamos y charlamos con mi prima y sus hijos.

También tuve la oportunidad de conocer a la mamá de Sebastian y a su padrastro (Sebastian's mother and stepfather). Ellos se quedaron en un hotel en Arequipa y la mamá de Sebastian me llamó porque quería conocerme. Me comentaron que también irían a Mollendo y que la hermana de Sebastian (Sebastian's sister) llegaría a Perú unos días después. Yo viajé a Mollendo, me invitaron a comer a una cevichería y pude compartir tiempo con la mamá, la abuela y la hermana de Sebastian. Meses después, mi novio regresó de los Estados Unidos en agosto de 2025, justo para mi cumpleaños. Lo celebramos haciendo un tour por Arequipa en la Ruta del Sillar y visitando el Mirador de Yanahuara. Unos días después, viajamos al Pedregal para la despedida de una prima que se iba a España.

El 28 de noviembre nos comprometimos en un bonito lugar llamado Ekeko Restaurant, donde me regaló un anillo de compromiso. Recientemente, él me explicó que tenía que volver a California el 10 de diciembre por trabajo, pero me prometió que regresaría muy pronto. Nuestro plan ahora es que yo viaje a los Estados Unidos para casarnos allá, que es donde pretendemos vivir y construir nuestra vida juntos definitivamente.

To: Whom it may concern,

My name is Olenka Mason, mother of Sebastian Bellot, and the reason I am writing this letter is to share the story of the loving relationship between my son Sebastian Bellot and Laleshka Pinto, a relationship that began in April 2022 in Arequipa, Peru.

My son Sebastian met his now- fiancée, during one of his trips to Peru. They have been building their relationship continuously since the beginning, and Sebastian has continued to visit her every year so that they can get to know each other better and build their future together. As Sebastian's mother, I can confidently vouch for the sincerity of the loving relationship that Sebastian & Laleshka share.

I've met Laleshka several times and in between those times we've maintained our relationship via what's app communication. In May 2023, I traveled to Peru to visit my mother, Gladys Chang, who lives in Mollendo, Peru. My mother was already aware of Laleshka's presence in Sebastian's life, and my visit gave me the opportunity to meet Laleshka and learn more about the relationship between my son and her. I really liked Laleshka when I met her. I noticed that she is a good girl who loves Sebastian very much, and seeing them together, they are in love and I could see that they understand each other very well and that they both have the same goals which is to stay together and work towards their life together. In February of 2025, I made another trip to Peru with my husband Scott Mason and my daughter Olenka Bellot, and this was an important opportunity for the three of us to get to know her better and spend more time together. It was very clear that in between the first and second time that I met her, their relationship had significantly developed and had the qualities of a life-long partnership.

Laleshka is a caring, affectionate, and hardworking young woman and my son is a young man who is also a really affectionate and hardworking person and they both share strong work ethic and family values. I am very confident in Sebastian's choice in choosing Laleshka to be his life long partner and someone to join our family. We see them both really happy in their relationship together, they enjoy their time together and work very well together.

On Sebastian's last trip to Peru, he decided to propose to Laleshka and formally become engaged to each other and so they are now officially a couple who are taking the right steps in building a lifelong partnership with God's blessing. As a mother, I am a witness to this relationship between my son Sebastian and Laleshka and am looking forward to how they continue to grow as they work towards marriage and as they go through this immigration process.

Please feel free to contact me if further information is needed.

Sincerely,

Olenka Mason

To: Whom it may concern,

My name is Olenka Bellot and I am Sebastian's sister. I currently live in Los Angeles and I'm writing this letter to show my support and my excitement in these upcoming steps that my brother, Sebastian, is taking in his relationship with Laleshka.

I've known of Laleshka since the start of their relationship, but my first time meeting Laleshka in person was in February 2025 while I made my first visit back to Peru. During my trip in Peru, I spent an entire day getting to know her and understanding what ideas she had around her future with my brother, which is to be able to marry each other and form a family. This is something that they both share in values- which is the importance of the family unit. Although this was my first time meeting her in person, I felt like I had known Laleshka for much longer because we shared something important in common- and that's our understanding and love for my brother, Sebastian. From my perspective, Laleshka is an extremely caring, affectionate and a very hard working person and I know these are some of the traits that my brother has been looking for in a life long partner, which he found in her.

My brother Sebastian and Laleshka have a unique relationship because of the fact that they are at a distance at points in this relationship. This dynamic for a lot of couples would typically be challenging, but their ability to grow significantly stronger through this has confirmed my beliefs that they are committed to each other and their future together. Even when they are at a distance, their communication is really strong as they make daily time for each other to catch up on their days and plan for the future.

While my brother Sebastian & Laleshka are in Peru together, they divide a lot of their time by spending time with both my family & Laleshka's family. Laleshka has spent a lot of time helping my grandma, Gladys, who is 93 years old, helping her around the house and keeping her company, even when my brother is not around which is something I really admire about her. Similarly, around the holidays, Sebastian likes to spend time with Laleshka's nieces and nephews, making them laugh and bringing holiday spirit to the home. My brother is pretty good with kids, and Laleshka's nieces and nephews like my brother a lot which are things Laleshka's mentioned as being good traits in Sebastian as someone she plans on spending her life with.

When my brother had shared that he had proposed to Laleshka, I was filled with excitement knowing that she is someone that is going to be a part of my family but also because I know how much my brother & Laleshka love, respect and care for each other which is the foundation that their relationship is built on. In conclusion, I am extremely supportive of my brother Sebastian & Laleshka taking this next step in their relationship and immigration process.

Please feel free to contact me if further information is needed.

Sincerely,

Olenka Bellot

To Whom It May Concern,

I have known Sebastian Bellot for over ten years. I met Sebastian soon after I started dating his mother and my wife, Olenka in 2015. I have watched him grow from age twenty-one to the present day. Sebastian is a fine young man who is a hard worker, honest, dedicated and responsible.

I have observed Sebastian grow and mature during the past decade. He has always been a hard worker first employed in the food industry as a server and greeter. He also worked with valet car parking services for special events throughout the bay area. He then started working in the delivery business, during the pandemic working, for DoorDash delivery food to thousands of customers in the east bay area. He has been very dedicated to his work, working all days of the week at any necessary time.

More recently, he has been working for a medical lab delivery company. This position requires pick up of lab samples from various hospitals and clinics and delivering the samples at specific temperatures to laboratories for testing. Once again, Sebastian is very reliable, working anytime of the day to pick up and deliver samples within the required time frame. He is very enthusiastic and enjoys this type of employment.

Regarding, Sebastian's relationships which I have observed over the past ten years, he has finally found the woman to share the journey through life. I have never seen Sebastian so full of joy and love before he met Laleshka Pinto in April 2022. Sebastian met Laleshka while visiting his grandmother in Peru. Since this relationships beginning, Sebastian has been elated and very much in love. Being in a long distance relationship requires dedication and understanding which Sebastian possesses.

Over the past three and a half years, Sebastian has made many trips to Peru to visit and be with his girlfriend and love. Their relationship has grown over the years and their dedication to each other has endured the times of separation caused by miles of distance. Sebastian and Laleshka are very compatible and share similar goals in their lives. I have never seen Sebastian happier since this relationship has blossomed. They have decided to express their dedication through their engagement. Congratulations!

I have had the wonderful opportunity to meet Laleshka Pinto in February 2025 while on vacation and visiting Arequipa, Peru. I discovered her to be a kind, caring and loving young woman who deeply loves my stepson. She too is a hard worker and works as a cosmetologist in Arequipa. She is educated, smart and shows a strong affection towards Sebastian. I believe that they both have found each other's soul mates. And they are in a loving and lasting relationship.

I hope this helps with granting Laleshka the opportunity to visit the United States and our family.

Sincerely,

Scott Mason

Affidavit of support for family petition

To whom it may concern,

I must state that Ms Laleshka Pinto Palomino and I are related by blood (first cousins), with whom I have shared countless family moments, including Christmas celebrations together with Sebastian, as well as summertime outings to the beach, family gatherings, and my children's birthdays. We have also shared dinners and family lunches.

I am aware of the relationship between Sebastian and Laleshka since 2022, as they visited us in Mollendo around the middle of that year. Since then, we've shared many pleasant gatherings along with my husband and my two children.

I can highlight that they maintain a harmonious relationship, which is characterized by the affection and love they have for each other. On November 3, 2025, we had a family gathering to say goodbye to my cousin Yumina, who moved to Spain to continue her studies of Human Medicine. During this gathering, Sebastian told me about his intention to marry my cousin, and this was the reason for joy and celebration.

Declaración jurada de apoyo para petición familiar

A quien corresponda:

Debo manifestar que la Sra. Laleshka Pinto Palomino y yo nos une un vínculo familiar consanguíneo (primas hermanas), con quien he compartido innumerables momentos familiares, entre los cuales se encuentran festividades navideñas compartidas junto a Sebastian, así como momentos en verano saliendo a la playa, reuniones familiares y cumpleaños de mis hijos. También hemos compartido salidas a cenar y almuerzos familiares.

Tengo conocimiento de la relación que une a Sebastian y Laleshka desde el año 2022, pues a mediados de ese año nos visitaron en Mollendo. A partir de entonces compartimos en muchas ocasiones agradables reuniones junto a mi esposo y mis dos hijos.

Puedo resaltar que mantienen una relación armoniosa, la cual se distingue por el cariño y amor que se profesan. El día 3 de noviembre de 2025 tuvimos una reunión familiar para despedir a mi prima Yumiña, quien se trasladó a España para continuar sus estudios de Medicina Humana. En dicha reunión, Sebastian me comentó su intención de casarse con mi prima, siendo este un motivo de alegría y celebración.

Atentamente,

Deysi Katherine Pinto Vera
