RESPONDENT’S ALTERNATIVE MOTION FOR VIDEO APPEARANCE

The Respondents, through undersigned counsel, respectfully submit this Alternative Motion for Video Appearance in connection with the upcoming Master Calendar Hearing currently scheduled for **March 12, 2026 at 9:30 am** and in support thereof states the following:

Respondents filed a **Motion to Vacate the March 12, 2026 Master Calendar Hearing** on the grounds that Form I-589 has already been completed and written pleadings submitted, in compliance with the Court’s procedures. However, should the Court deny that Motion and require an appearance, Respondent respectfully requests permission for both Respondent and counsel to appear at the hearing via videoconference.

This request is made in good faith and for the purpose of ensuring Respondent’s participation in the proceedings without causing undue hardship, while also promoting

judicial efficiency. A video appearance would allow the Respondent to meaningfully participate in the hearing while minimizing unnecessary travel, logistical complications, or delays.

Allowing video participation, particularly at a preliminary Master Calendar Hearing, is consistent with the goals of fairness, efficiency, and access to justice. It would not prejudice the Court or delay proceedings.

Additionally, the Counsel for Respondents' office is located in San Diego, California, while this Court sits in Washington. Given the substantial geographic distance between San Diego and Washington, travel to this jurisdiction would impose a significant logistical and financial burden. Respondents respectfully request that the Court take this distance into consideration in scheduling and conducting future proceedings.

Wherefore, Respondent respectfully requests that, in the event the Motion to Vacate is not granted, the Court **allow Respondent, as well as counsel, to appear at the Master Calendar Hearing via video conference.**

Respectfully submitted,
